VOL. LXXXI. NUMBER 48

Postmaster Joe Wolf and Harry Brehen welcome Capt. Tony Jirka back to Antioch after 11 months in Viet Nam. Left to right, Joe Wolf, Harry Brehen, Capt. Tony Jirka.

Returns To Antioch From Viet Nam

Capt. Anton Jirka, battalion surgeon, with the 101st Airborne in Viet Nam, returned last week to his home at Channel Lake after eleven months in the war area.

Capt. Jirka stopped in at the Antioch Post Office last Wednesday to thank Postmaster Joe Wolf and the boys at the Post Office for the packages he received via Project Viet Nam. "I think Project Viet Nam is just great," he said. "The packages mean a great deal more to the boys, coming from the people from their home town. It really makes them feel good. I haven't heard of any other place doing this—it really makes the boys feel proud of Antioch."

"The soup really goes over big," the Captain said. "You can't get that over there. And you know, food hits the spot when you have to stay awake all night."

The Doctor knows what it means to stay awake all night. Last June he worked for 72 hours straight caring for casualties during the battle near Traing Luong.

Speed is of the essence in saving the lives of soldiers wounded in battle, and the organized efficiency in handling battle casualties in Viet Nam is praised by all who have seen this system in action. Capt. Jirka, as battalion surgeon, worked from a post close to the fighting. Helicopters brought the wounded men to him, and he treated them before sending them on to a base hospital. The Doctor is proud of his record in this line—one, when timed, a wounded man was brought to him by helicopter, treated and ready to leave by helicopter for a base hospital within eleven minutes.

The battalion surgeon usually stays at the command post when the men are in battle. For one thing, the doctor is too important to the men's welfare to gamble with his life. Viet Cong, says Capt. Jirka, welcome a chance to dispose of a doctor.

Thirty-two men make up his medical platoon, with all except the battalion surgeon medical corpsmen. Ten of the men usually remain at the Aid Station with the doctor, while the rest go with the soldiers to render on-the-spot First Aid. The helicopters bring in seven wounded men at one time.

Although Capt. Jirka is not a surgeon, he had to perform surgery twice on the field. At one time, he was the only doctor supporting a brigade.

The American soldier in Viet Nam is the best, says Dr. Jirka, and their morale is great. "Drafted or not, they're all professional soldiers," the Captain says. "They're well disciplined, and there's no doubt in their minds why they're there. They're not interested in draft card burnings or peace rallies—they're too busy."

Dr. Jirka went first to Tuy Hoa when he went to Viet Nam, and was there six months. Tuy Hoa is situated on a beautiful beach about 15 miles long, and the 91st Evacuation Hospital has since been built there. Later the base camp for the 101st Airborne was at Phan Rang.

Dr. Jirka met one Antioch boy while in Viet Nam—Kenneth Kasel. Readers of

the Antioch News will remember the humorous letter Kasel wrote to the Post Office personnel regarding the life-saving qualities of the packages he received. Kasel is a Medical Corpsman.

Dr. Jirka will be leaving Antioch for the Air Force School of Aerospace Medicine at Brook Air Force Base at San Antonio. Then he will go on to Fort Rucker, Ala., for further study, then he hopes to return to Viet Nam.

Capt. Jirka is the nephew of Governor Otto Kerner. His wife, Joyce, teaches school. They have two children, Di-

ane, 4, and Anton, Jr., 2 years old.

PROJECT VIET NAM

There were no new names of Antioch area soldiers in Viet Nam added to the list at the Post Office this week. Those who donated to the Viet Nam project this week are the State Bank of Antioch, Mrs. Les Chinn, Mrs. Robert Hart, Mrs. J. Vogler, Mr. and Mrs. J. Valla, Mrs. Ellen Flint, Arthur Zoerner, the American Legion Auxiliary, the Antioch A & P Store, Laura Swanson, Joan Zubor and several donors who wish to remain anonymous.

ACHS Board Fills Vacancies On Staff

The Antioch High School Board of Education, at its regular meeting Wednesday night, accepted the resignation of Robert Yonke, Math teacher and athletic coach. Mr. Yonke coached the sophomore basketball team. He leaves Antioch to go to Woodstock High School, where he will coach varsity basketball.

The board employed Eugene Lischewski to replace Mr. Yonke. Mr. Lischewski has eight years experience as a high school teacher, the last five at Luther High School North. He has a Master's degree in Math and will coach sophomore basketball.

Mrs. Charlotte Kelly was also employed to fill a vacancy on the Business Education staff. Mrs. Kelly will teach shorthand and typing and sponsor the Year Book. She has three years teaching experience including one year at Round Lake High School.

A vacancy on the custodial matron's task was filled by the hiring of Mrs. Alice Fritch of Salem.

John Romer presented a student accident insurance program to the board which was accepted. Students will pay a premium of \$2.50 for accident insurance. An additional \$20 premium for football players is paid by the athletic department.

Bids were opened for repair and installing of acoustic tile on ceilings of four classrooms. The work was awarded to Mr. Yopp at a price of \$1,775.

Bids on four tires for a school bus resulted in purchasing the tires from Antioch Firestone at a cost of \$301.48.

A diploma was awarded to Glen Siedschlag, who completed requirements for credits by attending Waukegan High School evening school.

The Equipment Committee comprised of chairman Helen Kopriva, Dr. Al Bucar and Robert Denman, reported a total need for \$37,000 worth of equipment, with reimbursement of \$11,000 from NDEA funds. The board also approved participation in the Elementary - Secondary Education Act, which will supply \$1,664 worth of instructional library material.

Antioch High School received a certificate of continued membership in the North Central Association of Colleges and Secondary Schools on the basis of a written report.

Permission was given the American Legion Pony baseball league to use the athletic field. The Babe Ruth league has also been given permission to use the field.

Board president William Brook appointed a Budget Committee of Chairman Dr. Al Bucar, William Petty and Robert Lindblad. The committee will meet with the school administration and accountants to draw up the budget for next year.

Commencement this year will be at 8 p.m. Thursday, June 8. The board set the date for Commencement Exercises for 1968 on Sunday, June 2 at 4 p.m. The new athletic field will be used for next year's commencement exercises.

Set Date For Finals In Bridge Match

The date has finally been set! Play-offs of the final round in the Lions Club Bridge Match will be held at 8 p.m. Friday, June 2, at Paty's Lounge.

The team of Dorothy Olson and Marge Beitzel will be fighting it out with the team of Elmer and Lucile Eberman for the championship. The Olson-Beitzel team were champions last year.

Playing the Consolation round will be the team of Lily Petty and Ellen Tossey vs. Francis Reeder and Elaine Wojnowiak.

The champions will receive a trophy at the Lions Club dinner in their honor.

Cancer Crusade Total Near \$1,500

The latest total of the collections in the Cancer Crusade in Antioch is \$1,472.44.

Mr. and Mrs. Morris Pickus joint chairmen of the Antioch Cancer Crusade, received a letter of congratulation from William T. Sullivan, Lake County Cancer Crusade chairman, for the fine work they had done in the fund drive. Mr. Sullivan said, "I would like personally to thank all of the people who worked with you, but since this is impossible, would you do so for me."

Mr. and Mrs. Pickus added their thanks to the County chairman's for the help of the volunteers who helped in the collection.

Post 748 Names Boys Stater

A junior boy from Antioch High School will represent Antioch at the 1967 session of Illinois American Legion Boys State, Child Welfare Officer Don Gaston of Antioch Post 748, announced today.

David D. Blagg, Box 218, Lake Villa, is the boy selected to represent Antioch in this annual civics workshop.

The 1967 Illinois American Legion Boys State will be in session from June 18 to June 24 at Springfield, Gaston said.

Departments of the American Legion this summer will sponsor 49 of these Boys States where boys who have just completed their junior year in high school will study the organization, operation, and political processes of State government.

The youth from Antioch will participate in the organization of political parties, campaigns, elections, and enactment and enforcement of their own laws within a mythical 51st state. From each Boys State, two outstanding young men will be selected to attend the 22nd Annual American Legion Boys Nation July 21 to 29 at Washington, D. C.

At Boys State, Gaston explained, the boy from Antioch will have the opportunity to learn about the functions of government. Also, the boys will get a better idea of the importance of each good citizen in discharging basic citizenship responsibilities. They will discover how the quality of government is related directly to the active interest of each citizen.

Honor Cagers At Banquet

The State Bank of Antioch treated the 1966-67 Antioch Community High School Basketball "Sequois" to a buffet dinner at Lorenz's Smart Country House on Sunday evening, May 21. Master of Ceremonies Ward Leach, athletic director of A.C.H.S., introduced William Brook, president of the bank, who welcomed the athletes and cheerleaders, and presented all of them with a token of remembrance for their first regional championship. The boys in turn presented Coach Roger Andrews with a regulation basketball, signed by all of the players.

Dr. James Kopriva introduced the main speaker of the evening, NBA "Coach of the Year" John Kerr of the Chicago Bulls, who spoke with great wit of some of his experiences as an athlete and as a coach. He ended the session with a question and answer period and signed his autograph for those requesting it.

Also attending the banquet were parents of the athletes, friends and followers of the Sequoists.

The Antioch Village Hall will be closed Monday and Tuesday, May 29 and 30, in observance of Memorial Day.

Legion & VFW Combine For Parade

The Antioch American Legion Post No. 748 and V.F.W. Sequoit Post 4551 will combine forces for Antioch's Memorial Day parade and ceremonies.

The parade will leave Antioch High School at 10:30 a.m. Tuesday, May 30. The parade will march down Main St. to Orchard St. to the village park.

The guest speaker for the ceremonies at the park will be Captain Robert Rychlik of the United States Marine

Antioch Officials Draw Up Disaster Plans

Plans to prepare a Disaster-Action plan for the village of Antioch were launched at a meeting of village officials, department heads, radio operators and Antioch's Civil Defense Directors Monday night.

Spurred on by difficulties experienced in other villages in the area after tornadoes struck, the meeting was attended by all who would be concerned in emergency action if a like emergency occurred in Antioch.

The head of each department is to draw up a list of men who would be available to help in the event of a disaster, such as a tornado. Fire Chief Charles Mapletorpe, Superintendent of Public Works Edgar Simonson, Police Chief Harold Mason and members of the Rescue Squad will list all available man power, with Mayor Raymond Toft and Civil Defense Director Edward Frazier coordinating the work.

It was agreed that the

radio operators for the police department would be responsible for sounding the warning siren in case of a tornado alert. Garnett Oddsen and Vivian Mapletorpe handle this duty. They will be guided by reports on the police radio.

Civil Defense Director Edward Frazier said the blowing of the siren will be a warning for all Antioch citizens to take immediate precautions. In addition to police radio reports, he said

both he and the Antioch police have patrolled the area by car during all tornado alerts, watching for possible signs of a tornado and alerting any businesses or factories who can not hear the siren.

Some ham radio operators in the area were present at the meeting and offered their services in event of an emergency. All the fire trucks, the police patrol cars and the Rescue Squad trucks are equipped with two-way radios. Mayor Toft said, which would help to coordinate efforts in rescue work. However, he said, he felt the village needed perhaps two more radios to set an efficient chain of communication in emergencies.

All organizations, such as the Rescue Squad, and all village officials and departments affirmed their willingness to cooperate in the disaster planning at Monday night's meeting. Toft said.

Frazier pointed out that Antioch is ahead of other villages in the county in planning for action in emergencies. It is the first Lake County town to have an official warning siren.

Frazier said he felt the local schools are "in good hands" so far as a plan of action for emergencies is concerned. The schools are warned of the possibility of a tornado directly by police, and have formulated plans of action.

Richard Burnette was recently appointed chairman of the Civil Defense committee of the village board.

Mayor Raymond Toft signs the proclamation setting Friday evening and Saturday as Poppy Days for the American Legion in Antioch. Left to right, Al Swenson, Mrs. Bernard Stadick and Mayor Toft.

Report Results Of Park District Study

A park district for Antioch should not be confined to the village and should be supported with tax money. These are the conclusions reached by a committee who studied the question for several months.

William Seemann and Dick Daniel headed the group investigating the possibilities of a park district for Antioch. The Antioch Lions Club instigated the research. William Seemann reported the results of their study to the Club at a recent meeting.

"Last year," Seemann said, "Dick Daniel and myself attended several meetings with local organizations in regard to a Park District for Antioch. At these meetings there was an honest and sincere attempt to seek a park district."

"Not knowing the mechanics of making a park district function, we attended several meetings with communities that had a park district," Seemann said. "We met and talked with state officials of park districts in the State of Illinois in regard to our problems in Antioch."

"They all agreed that Antioch itself could feasibly have a park district but it would not have enough taxation to make it a thriving park dis-

trict. They thought more along the lines of a township park district, and we agree."

"I personally feel that our area badly needs a park district," Seemann said. "I feel that I am not qualified to tell the people of our area that they need a park district and I don't think this is a project for a club or organization, such as the Lions Club. The leadership should come from our local and township officers, because they have the foresight and insight of the future needs of the people they represent. I am in complete accord with these people that because of our times it will be hard to get approval of additional taxes

Jaycees Open Beauty Contest

The annual Lake Region Jaycees Beauty Pageant is about to begin, and contestants are invited to submit their entries.

The closing date for accepting applications is July 15. Contestants must be single and between the ages of 17 and 24 as of Sept. 1.

Official entry blanks to enter the Beauty Contest are available at your local high school or at the office of the Antioch News.

The number of contestants will be limited to 20 this year. The schedule for the Beauty Queen contestants will include a dinner for the sponsors and the contestants on July 23; the Beauty Pageant on July 29, and the Pageant finals on August 6.

At the Beauty Pageant, each girl will perform her talent act, and appear in a bathing suit and in a formal gown for judging. The semifinal contestants will then be selected.

At the August 6 finals, the Beauty Queen will be selected.

Send your White Elephant to the Thrift Shop.

Free Swimming At Antioch Pool Memorial Day

The Antioch Pool will open the season Memorial Day with free swimming. Everyone is invited to take advantage of the opportunity.

Swimming will start at 1:30 p.m. Memorial Day and the pool will be open until 6 p.m. In addition to the free swimming, there will be gifts and surprises for the kids. Life guards will be on hand at all times.

If you're considering purchasing a membership for the season, you have until May 31 to get one at a reduced rate. Memberships go up as of June 1. They can be purchased either at the State Bank of Antioch or at Wilton's Electric Shop.

The Red Cross Learn-to-Swim program will be starting next month at the pool.

Drije Named All-Conference

Gregg Drije, 1st baseman on the Antioch High School baseball team, was named to the All-Conference team this week.

Drije was the only Antioch player named to the All-Conference team.

These women from the Antioch Mental Health Auxiliary helped to staff the new Thrift Shop in Antioch when it opened last week. Left to right: Mrs. Edmond Vos, Mrs. Thomas Haley, Mrs. Gus Castoff and Mrs. Joe Petrovsky.

How Much Protection?

Just how much disaster protection do Antioch residents want? A more pertinent question might be, how much are they willing to pay for?

Necessary equipment for good protection in disasters is comparatively cheap. Antioch's warning siren, to be used in the event a tornado or air raid warning is necessary, cost about \$1,200. The Federal government foots half the bill. So this particular bit of protection probably cost each Antioch family less than \$1.

Next items on the list of necessary equipment are a couple of two-way radios and more stocked shelters. Ed Frazier, Civil Defense Director, put in a request for the radio equipment at a recent board meeting. It was tabled until more money came into the village coffers.

A study following the recent tornadoes in Lake County showed that the greatest failure was in communications. Perhaps one reason is that we are so used to being able to depend on the telephone for quick and efficient marshalling of forces that we forget this service is not apt to be available in an area where a tornado has struck.

A very small expenditure of money, plus careful planning and clear understanding of the chain of command and the function of each government department, can save a lot of lives in event of disaster. No one really expects a tornado, or any other disaster, to strike his home, his school, his town. So, if it does, precious time is lost while people helplessly wait for someone to take charge.

Shelters stocked with food, water and medicines—are they an unnecessary precaution? Many feel that with the advent of the atom bomb even such shelters are useless. But take a look at the record—even today, in areas of fighting, such shelters can save lives every day. Again, the cost is so small, comparatively, that it is ridiculous not to take these precautionary measures.

Antioch has a hard-working, well-informed Civil Defense Director. His expenditures have been kept to a minimum. The Mayor and the village board are constantly faced with the problem of deciding how best to stretch the people's money. If you want them to invest some of it in planning and precautionary measures for Civil Defense, let them know.

Courthouse Notebook

BY LOU DURKIN

There have been loud and anguished outcries in the Illinois General Assembly concerning "open occupancy" bills that have been presented with the avowed purpose of making it mandatory that the question of race be ignored in the rental or sale of real estate.

There have been impassioned pleas from many legislators that laws of this type are "un-American" or unconstitutional, or impossible to enforce.

Somewhat it seems extremely un-American that legislation of this type seems of necessity to be in a land whose proud boast is that "all men are created equal" it becomes necessary to spell out that "equality" should be applied in the market place as well as proclaimed from the political rostrum.

It is foolhardy for defenders of the property rights of landowners to say there is no discrimination in the market place.

It is blindness to insist that Negroes can live anywhere they can afford.

It is unfortunate that citizens of the United States must ask for special laws to insure them the rights the supreme law of the land is supposed to grant them, but since it apparently is necessary it is about time the legislators voted for what is "right" even if it is politically palatable.

There is much chortling with glee around the courthouse because of the passage of the bill which sets new and higher tax rate limits on the County General Corpor-

ate Fund.

The county has been rescued from the brink of disaster to which it was brought by the mindless voters of Lake County who had the temerity and poor judgment to tell the county board members they were spending too much money and should cut down on the cost of government.

The exuberance might not have seemed quite so tasteless if the board had not been so proud of its recent revelation that interest earnings on idle county funds were well in excess of \$1,000,000 over the past five years.

This windfall averages out to about \$200,000 plus each year, a tidy sum that certainly has not been reflected in comparable reduction in levies for county purposes.

One wonders if the monetary appetite of the body politic is insatiable.

Republican leaders in Lake County are going to have to take a stand soon on the question of another GOP state convention for the purpose of "nominating" or endorsing candidates for state office in the 1968 primary election.

County Central Committee Chairman Robert J. Milton is one of the prime movers in the convention effort as he was two years ago when the convention selected Charles Percy as the choice for the GOP nomination for U. S. Senator.

Milton, no doubt, will eventually call a meeting of the central committee to ask for an "advisory" vote on whether or not Lake County should

Your Congressman Reports....

By Cong. Robert McClory

About 6-million Americans are suffering from chronic alcoholism and some 250,000 more join the ranks of alcoholics each year. According to the recent Crime Commission Report, about 2-million persons in this country were arrested in 1965 for public drunkenness (1 out of 3 arrests). Yet, according to two recent federal court decisions, chronic alcoholics may not be convicted of being intoxicated. In one of the cases, the court held that jailing of an alcoholic for drunkenness violates the 8th Amendment to the Constitution, which prohibits cruel and unusual punishment.

These court decisions coincide with the opinions of other authorities who maintain that the chronic alcoholic is a sick person, who he is not a criminal who can be rehabilitated in jail. Also it follows that if relieved of the responsibility of handling the cases of alcoholics, the police and courts could give more attention to the investigation and prosecution of strictly criminal activities.

The problem is cast in an even more serious light when one realizes that almost 5% of the total United States population over 21 suffers from alcoholism. In addition, it is found to be the fourth most serious health hazard, ranking only behind heart disease, mental illness, and cancer. The anomaly is that our nation spends \$380 on each tuberculosis patient (no longer our No. 1 killer) and only 16 cents on each alcoholic.

In addition to its health aspects, alcoholism contributes to many other social problems such as broken homes, absenteeism, auto accidents, street disorders and various criminal acts committed to procure funds to purchase alcoholic drinks. In recognition of the magnitude and urgency of the problem, legislation was introduced recently in the Congress. Sponsored by this and other Members of Congress, the measure is intended to carry out the new public responsibility of treating chronic alcoholics as sick—not criminal—persons.

The legislation would also (a) establish a Bureau of Alcoholism Care and Control, (b) provide funds for detoxification centers, (c) study the personnel practices and needs in the field of alcoholism, and (d) establish a National Advisory Committee to help develop improved methods for treating alcoholics.

The Federal program is not intended to ignore the numerous state and local steps which governmental and private agencies have already initiated. Indeed, most states, including Illinois, have established programs aimed at meeting the growing problem of alcoholism.

In addition, many local groups such as the Lake County Council on Alcoholism are helping to meet the problem where it must ultimately be solved—in the communities and in the neighborhoods. The Federal legislation will supplement—and assist these other important programs.

The Federal expenditure is expected to total \$20-million. This would be only a small fraction (4%) of the estimated \$4 billion which alcoholism costs this nation today in lost time, lost lives, police, court, and correctional institutions' operating expenses. Alcoholism is another of the great national problems for which the Congress seeks a sound solution.

support a convention proposal, but this probably won't come until he has the votes to verify his position. Since there are early indications that such a convention would be helpful to the gubernatorial aspirations of John Henry Altorfer, of Peoria, the issue will probably mean a substantial amount of switching of political bedf-

Teacher Of The Week

Mrs. Jane Craner

Mrs. John L. (Jane H.) Craner teaches Art at Antioch Community High School. She has been a member of the ACHS Staff for two years, since Art was added to the curriculum.

Mrs. Craner was born in Natrona, Pa., and attended school there. She attended Har-Brock Union High School in Natrona, and went on to the Carnegie Institute of Technology, majoring in Art. Mrs. Craner has a twin son and daughter, Lee and Cathy, both 17, and a son, Tommy, 12. Lee and Cathy attend ACHS and Tommy attends Oakland School.

Mrs. Craner sponsors the Art Club at the high school and the Adult Evening Class. Her hobbies are sewing and painting. She frequently serves as a judge in local art contests, and is on the committee for the Art Show for Antioch's Diamond Jubilee in August.

Corruption Threatens Nation

Morality, integrity, law and order, and other cherished principles of our great heritage are battling for survival in many communities today. They are under constant attack from degrading and corrupting influences which, if not halted, will sweep away every vestige of decency and orderliness remaining in our society.

Certain groups, numerically weak but vociferously strong, appear determined to destroy all acceptable standards of personal behavior patterns. They seem bent on eliminating all ethical practices relating to our established order.

For instance, most citizens would be horrified to think that some day it might be legally permissible for a person to rise in a courtroom and hurl four-letter invectives at the judge without fear of punishment. "This cannot be," we say, "the court is inviolable. It administers justice under the laws by which we live." Law enforcement is an arm of the same laws. It is charged with the responsibility under these laws of taking certain action which ultimately is resolved in court. However, a move is underway demanding that profane verbal abuse directed at police officers be legally recognized as a constitutional right. If it can be argued that such preposterous action is legally permissible at the enforcement level of the law, could it not also be argued that it is permissible at all levels of our legal system?

History proves that the best interests of our Nation lie in a law-abiding, decent, and orderly society. We cannot live with lawlessness, unbridled vulgarity, obscenity, blasphemy, perversion, and public desecration of every sacred and just symbol. We should be alarmed when widespread recognition and monetary awards go to a person who writes a "satirical" piece of trash which maliciously defames the President of our country and in-

sinuates he murdered his predecessor. We should be alarmed when some groups, under the guise of academic freedom and constitutional privilege, flood our college campuses with obscene four-letter-word campaigns and pornographic publications which violate all codes of ethics. And we should be equally alarmed when an enforcement officer making an arrest must fight for his life against assaults from on-lookers who scoff and ridicule him for doing his duty.

Why do these conditions exist? Certainly, an overwhelming majority of Americans do not want their families exposed to indecent, immoral, and unlawful practices which plague our communities. But unorganized protesters carry little weight against organized crusaders of filth, immorality, and crime. If this is not the legacy we want to pass on to our youth, then it is high time we took action to improve conditions.

Let us stop persecuting enforcement officers when we should be prosecuting criminals. Let us stop defying offbeat dolts whose ability is measured only by how deep they can dip their poisonous pens into the pots of blasphemy, filth, and falsehood. Let us stop listening to half-truths and criticisms of time-tested ideals and start telling and selling the true story of democracy as we know it. In short, let us stop being led blindly toward the cavern of self-destruction by bogus Pied Pipers and get on with the perpetuation of the self-evident truths which, with Divine guidance, have served our Nation so well over the years.

As It Happens—

By Rep. W. J. Murphy

Early Log Jam

Due to an Interim Commission report, the House of Representatives is operating on New Rules in this Session. The new rules are aimed making the Session more orderly and more business-like. As happens with many reforms, they are meant well, but sometimes do not get the job done as well as the old tried and true system did. Under the new rules, the last day for introduction of Bills was May 1st. Everything went smoothly enough up until then; on that day however, some 800 bills were dropped in the "hopper."

The deadline for House Committee Hearings on these Bills was set for May 19th. Some Bills take 3 or 4 hours to be heard in Committee. In the last week of the allowed time to hear House Bills, they still had some Committees that had 70 and 80 bills to be heard, which meant that the Committee Members had to work around the clock. A lot of Bills that deserved more time for a hearing in order to hear both the opponents and proponents were cut short and in cost cases passed the Committee and went to the floor, when perhaps they should have been killed in Committee.

This flood of bills against time is what is referred to in the General Assembly as a "Log Jam"; consequently the reform of the House Rules that was aimed at preventing a "log jam" actually created a new one, plus adding this enormous number of Bills to the House Calendar and probably continuing this former "log jam" that used to occur in the closing days and probably will occur again in this Session in spite of the reform aimed at correcting it. The evil of a "log jam" is that due to not having a proper time to debate and deliberate on each issue, it is easy to allow bad legislation to slip through.

Abolish Capital Punishment Fails

The House again defeated a proposal to declare a moratorium for six years abolishing Capital Punishment in the State. The debate was long, sometimes angry, emotional and prayerful.

The Holy Bible was quoted by proponents of the measure and opponents. For instance the passage "an eye for an eye," etc.

"During the debate, the intellectuals and reformers that have weakened our laws of enforcement and conviction came under severe attack. A strong point in the argument of the proponents of abolishing capital punishment was that "the severity of the punishment was not as much of a deterrent as is the certainty and swiftness of punishment."

In any instance, the bill to abolish was decisively defeated for another two years.

Too Opinionated?

The writer of this column, State Representative W. J. Murphy (R. Antioch) came under some criticism from a reader last week for editorializing too much and/or being too opinionated in his column.

I wish to make it crystal clear to my critic that my column is written as an elected representative of the people and not as a newspaper reporter. It is published by some of our good editors of local papers as a public service. The very purpose of the article is an expression of opinions on Legislation and on the reasons the writer has for opposing or supporting certain legislation. It is written as an opinionated column, and not just as a news story. Overall the writer has had a good response from these articles. Naturally we can't please all the people all the time—we just hope we can please you most of the time, and if you do not agree, you will at least understand why we support or oppose certain issues.

Con-Con Passes

The above heading is particularly apt in this instance as the people of the State of Illinois are being "conned", but good; by the passage this week of the Resolution calling for a Constitutional Convention to re-write our State

Springfield Report

By Richard Lockhart

Governor Kerner's budget message began with a reference to Alexander Hamilton (one of the patron saints of the Republican Party) and it ended with a reference to the late President John F. Kennedy.

In between, was a five and one-half billion dollar budget, a proposal for broad-based service occupation taxes and, by implication, the death blow to the municipal tax proposals.

In order to finance this enlarged two-year budget, the Governor recommended that the present 3½ per cent occupation tax on retailers (sales tax) be broadened to include service occupations. Although he did not enumerate the services to be taxed, it is generally understood that they will include nearly everyone: barbers, dry cleaners, dentists, lawyers, etcetera, etcetera.

Experts believe that this tax will produce at least \$685 million over the next two years. It could even run much more.

Since most cities and counties now have a one-half cent "sales tax," they would be given the authority to tax the same occupations as the State at the one-half cent rate.

The need for an increase in the municipal sales tax has thereby been eliminated.

The Republicans who suggested the service occupation tax to Kerner will vote against the municipal tax increases, and even the Democrats from Downstate, who up to now have been going along with the Cook County Democrats, are "off the hook."

The Cook County Democrats are placed in the delicate position of having to support their Governor's proposal for State revenue and, at the same time, to press for the other tax measures so dear to Mayor Daley.

To which do they owe their primary loyalty?

Governor Kerner had a choice of three methods of securing more revenue: an income tax, an increase in the sales tax, or the service occupation tax. He chose the last one and offered a share of the revenue to the cities.

Although the affected occupations will complain, I doubt whether they will have the power to prevent the enactment of the taxes. It should not be forgotten that it was the Republicans who suggested these new taxes—and they have the votes to pass them.

Unless they handle the situation very carefully, the Democrats could split on this tax issue.

Letters to the Editor

Antioch, Ill.

Antioch News,
Victoria St.
Gentlemen:

May I compliment you on the additional column of "Coming Events".

To one just not too recent resident of Antioch, it is indeed a much needed source of information.

There is one organization which could be mentioned for future information, which is the A.A.R.P. And I also thought if each church sent in a program of the service on Sunday, i.e.: Title of sermon, guest speaker if any, also other activities. I am sure many would welcome this additional information.

Thank you for "Coming Events".

Sincerely yours,

Ella M. Newman

MYF members broke up into groups to discuss the film they had just seen, "A Man Dies." John Laude, sponsor of the Antioch MYF (facing the camera) led the group discussion at this table.

Antioch MYF Hosts Area Groups

The Antioch MYF hosted Youth groups from four other area churches last Wednesday night for a film and discussion period.

About 80 persons attended the gathering. The film was entitled "A Man Dies" and was a version of the Passion Play with Rock and Roll music.

After the film, the group adjourned to Wesley Hall for discussion. Discussion leaders were John Laude, Mr. and Mrs. Robert Kocmoud, the Rev. James, the Rev. the Rev. McGladrey, Mrs. Ruth Daesen, Ernest January and Mr. and Mrs. Kenneth Smouse.

The young people split up into small groups at 10 tables, each with a discussion leader, to consider questions raised by the film.

Refreshments, baked by the women of the W.S.C.S., were served with lemonade. MYF members expressed their gratitude to the W.S.C.S. for their help.

Churches represented in addition to the Antioch Methodist Church, were the Lake Villa Methodist, the Ingleside Methodist, the Grayslake United Protestant and the North Prairie Methodist.

Where The Boys Are

A task force of U. S. ships has been visiting the "down under" continent of Australia commemorating the battle of the Coral Sea, where, 25 years ago, U. S. and Australian navies turned back a Japanese invasion armada that planned to occupy Port Moresby and then invade Australia.

Machinist's Mate Second Class James R. Cole, USN, son of Mr. Harry D. Cole of 280 Chestnut St., Antioch, took part in the celebration there, as a crewman aboard the Seventh Fleet anti-submarine support aircraft carrier USS Bennington.

USS HORNET — Airman Apprentice Dale W. Ester, USN, son of Mr. and Mrs. H. Emmet Ester of 48 Timber Lane, Antioch, is in the western Pacific aboard the support aircraft carrier Hornet, presently operating as a part of the U. S. Seventh Fleet.

Enroute to the Western Pacific, the carrier spent six days in Hawaii, and then visited Yokosuka, Japan.

During the past year the Hornet has taken part in Midshipman training cruises, and the recovery of a space capsule.

Seaman George A. DeWald, Jr.

Seaman Recruit George A. DeWald, Jr., 24, USN, son of Mr. and Mrs. George A. DeWald of 916 Westmoor Ave., Lake Villa, has been graduated from nine weeks of Navy basic training at the Naval Training Center at Great Lakes.

USS STRAUSS—Radioman Third Class Walter D. York, USN, son of Mr. and Mrs. Walter D. York, Sr., of Antioch, was involved in a gun-fire exchange with shore installations near the mouth of the Song Ma River in Vietnam, aboard the guided missile armed destroyer USS Joseph Strauss.

His ship was providing coverage for the destroyer Hubbard, which was stopping enemy cargo and ammunition vessels moving south. Shore batteries opened fire on the destroyers, coming as close as 25 yards. The Strauss moved to avoid being hit as she opened fire with her five-inch fifty-four gunmounts on targets in the vicinity of San Son.

After several minutes of firing, the Strauss moved seaward. As a result of the

Auxiliary Names Girl Stater

By Dol Jahneke

The 27th Annual Session of Illinois Girl's State will be held June 13-20, 1967, at MacMurray College, Jacksonville, Illinois, according to Mrs. Joseph Horton, Illinois Girl's State

firing, two large shore batteries were destroyed and secondary explosions were observed.

DI AN, VIETNAM—Army Private First Class Edward V. Goetz, 20, son of Mr. and Mrs. William Goetz, Route 1, Antioch, arrived at Di An, Vietnam, base camp of the 1st Infantry Division, May 7. Before being assigned to a specific unit, he received specialized jungle training with the division.

Training included sanitation, civil affairs, mine and booby trap familiarization, reconnaissance and ambush patrolling.

Pvt. Goetz is a rifleman.

GLENDAL, Ariz. — Russell L. Tilton, son of Mr. and Mrs. Wayne A. Tilton of Wilmet, Wis., has been promoted to airman second class in the U. S. Air Force.

Airman Tilton is a jet engine mechanic at Luke AFB, Ariz. He is a member of the Tactical Air Command which provides combat reconnaissance, aerial firepower and assault airlift for U. S. Army forces.

The airman is a graduate of Wilmet High School.

4TH INF. DIV. VIETNAM—Army Private First Class Edward M. Rundgren, Jr., 19, whose father lives at 830 Cedarcrest Drive, Lake Villa, Ill., was assigned to the 4th Infantry Division in Vietnam, May 8.

Pvt. Rundgren, a construction specialist in Company C, 4th Engineer Battalion of the division's 3rd Brigade, entered the Army in October 1966 and completed basic training at Ft. Campbell, Ky. He is a 1965 graduate of Antioch Township High School and was employed by Western Architectural Iron Co., in Chicago, before entering the Army. His wife, Janice, lives on Route 3, Antioch.

PFC Steven R. Chinn, the son of Mr. and Mrs. Lester Chinn of Antioch, left Antioch on April 29 after a visit with his parents. He arrived in Viet Nam on May 2.

PFC Chinn is a graduate of St. Peter's School and Antioch High School. He took his basic training at Fort Campbell, Ky., then underwent intensive training at Fort Polk, La.

He landed at Cam Ranh Bay May 2, then proceeded to his base at An Kag.

Anyone wishing to write to PFC Chinn, his address is PFC, Lester R. Chinn, US-54812774, Co. B215, 1st Air Cavalry Div., APO San Francisco, Calif. 96490.

Chairman, Antioch Unit.

This project, sponsored by the Illinois American Legion Auxiliary, provides citizenship training for Illinois girls who are members of the High School's Junior class. Miss Mary Ellen Osmond has been chosen to represent the Antioch Unit. The expenses for Miss Osmond's attendance at Girl's State will be financed by the Unit.

A Girl Stater must have leadership qualities, and the attributes of interest in civics and government; good character, self-reliance, honesty and co-operativeness. She must also have contributed to the high morale of her school and community. Scholastic rating and physical fit-

Mary Ellen Osmond

ness are also major requirements.

The educational pattern of Illinois Girl's State is handled by a staff of Auxiliary members experienced in teaching government procedure.

Activities get underway immediately when the session convenes; with the forming of two mythical political parties. Conventions are held, nomination of candidates takes place, and campaigns are conducted. Elections take place first on the city and county levels, and then progress to the state election, patterned after Illinois' election laws. The newly elected officers are installed, and all functions of government—executive, legislative and judicial—are carried out. Two representatives from the 550 Girl Staters are chosen to attend the American Legion Auxiliary's Girl's Nation, held in Washington, D. C., where government is taught on the national level. Miss Pam Sherer of Zion attended Girl's Nation last year.

One day is spent in Springfield, where the Girl Staters meet Governor Kerner, other state officials, and tour various state buildings. A trip to Abraham Lincoln's tomb is included.

Topics for Today's Women

THURSDAY, MAY 25, 1967 THE ANTIOCH NEWS 4

This white cotton suit with touches of black won the State Title in the Cotton-sewing contest for Mrs. Dan Maras.

Wins State Title In Cotton-Sewing Contest

Mrs. Angie (Dan) Maras won the State title in the Cotton contest last weekend.

State judging in the 1967 National Grange cotton sewing contest was held Saturday and Sunday at Kewanee, Ill. Garments were entered in three classes—Class A, adults; Class B, age 12 through 17, and Class C, Garments made by an adult for a person 18 or younger.

The judging proceeded through the District, County and State levels, and has drawn more than 50,000 entrants this year.

Mrs. Maras, sponsored by the Ridgefield Grange of McHenry County, won First place in the Adult division and the Best of Show of the three classes.

She will represent the State of Illinois at the National level in New York City next month.

The outfit with which she won the contest is a white cotton suit. The jacket is lined with a black and white print. The blouse is the same print, and may also be worn with white slacks, another feature designed and sewed by Mrs. Maras. A white straw hat is worn over

a hood of the black and white print.

Mrs. Maras is American Home chairman of the Antioch Woman's Club; a member of the Antioch Mental Health Auxiliary and the Lake Region Homemakers. She is also a 4-H sewing leader of the Antioch Adventurers, 4-H group.

Mrs. Maras was the State title winner last year in the Make-It-Yourself-in-Wool contest.

The winner of Class B at last week's State finals was Linda Oberle of Prophetstown, Ill. The Class C title was won by Mrs. Neil Johnson, Jr., of Galva, Ill.

CHRISTIAN SCIENCE CHURCHES

"Let the wicked forsake his way, and the unrighteous man his thoughts; and let him return unto the Lord, and he will have mercy upon him." About The O.E.S.

Antioch Chapter No. 428, Order of the Eastern Star, held a regular meeting Thursday, May 11, with Carrie and Herb Pauli, Worthy Matron and Worthy Patron, presiding.

A member was accepted for affiliation with the chapter and four candidates were elected to receive the degrees.

An April birthday was celebrated by Alice Schreiber.

The altar was draped in memory of Gertrude Henslee following a short memorial service.

A social hour followed the meeting and the ladies were presented with plants for Mother's Day.

The line officers of Antioch Chapter joined with those of Wauconda in co-hosting the dinner and meetings of the Lake County Line Officers Clubs at the temple on Sunday, May 21.

Harriet Davis entertained the Past Matrons Club of Antioch Chapter in her home on Wednesday, May 24.

The next stated meeting will be this evening (Thursday), May 25, and will be initiation of new members.

There will be a special meeting on Saturday, May 27, which will be Matrons and Patrons Night. On this evening all of the regular offices, except Worthy Matron and Worthy Patron, will be filled by worthy matrons and worthy patrons of this area.

APPOINTED CHAIRMAN OF COLLEGE BOWL

Twenty-five University of Illinois students have been appointed major chairmen for 1967-68 Illinois Union Student Activities programs.

Among them is James Robert Knirsch, Rt. 1, of Antioch.

IUSA sponsors more than 35 major social events and programs throughout the academic year on the Urbana campus, including Homecoming Stunt Show, Dad's Day, Campus Mother's Day, Model UN, Illinois Spring Carnival, Elite Eight weekend activities, International Fair, Great Debates, Winter and Spring Musicals.

Major chairmen for other 1968 spring semester events will be appointed in the fall.

As It Happens—

(Continued from Page 2)

new ways of taxation to get more revenue for the State. People keep asking me: "How can we stop the continued increased spending of the State, the County, and etc.?" I am telling you don't allow radical changes like rewriting your Constitution. I warned my people years ago against eliminating our Township Tax Collector. They didn't listen and allowed it. Our Township lost that revenue! I warned them to defeat the Judicial Reform Amendment. A year they didn't listen. It is now costing \$100 millions and millions of dollars. They and listen last year and defeated the amendment to revise the Revenue Article. If they hadn't defeated it, they would now have an income tax!

You are now going to be asked to vote in 1968 on whether or not to hold a Constitutional Convention to revise our Constitution. I am alerting you now to talk against it and vote against it. If we had a new Constitution, it will throw out every law you are running with and replace them with newer, more restrictive laws. It will open the door to payroll tax, income tax and other forms of taxation that we have never even dreamed of. It will finish us off forever as a sovereign state as a free state. As it now stands, the state after this Session will have exhausted every source of taxation under the present Constitution. This will mean that the elected officials would be finally forced to "hold the line" and live on the present Revenue. Some will say, "That will stop progress." I say if it does—good! Progress for progress' sake is dangerous.

Now Medical Review

Another new restrictive bill is now pending before the House Traffic & Motor Vehicle Committee. We have already in this Session passed bills to let the examine every driver every four years. (2) To inspect your motor vehicle and furnish evidence of its condition prior to applying for a license. (3) Lowered the alcohol content you may have in your blood to no more than .10. (4) Implied consent that says if requested you must submit to a drunkometer test or lose your license. Now this Bill says if you go to your doctor and he finds you have diabetes, high blood pressure, heart murmur, etc., he may report you to a Medical Review Board set up by the State and you would be required to appear before that Board and they will pass on whether or not you may continue to have a license or recommend to the Secretary of State that your license be revoked.

Consider with me all the people now still earning a livelihood for their families that must drive, that have diabetes, that have high blood pressure, that have had a heart attack. What would happen to all these people who are now contributing to society and their own families' well being? We would be putting thousands and thousands of more people on the public aid rolls and joining the ranks depending on the Great Society!

The trend for control of everything is terrific — it must be stopped! Russia will soon look like a free people compared to us—if it is not stopped!

Report Results..

(continued from page 1) so that future generations can benefit from their actions.

"As a member of the Lions Club," Seemann said, "I will work hard to sell a park district if and when it comes up for a vote."

Seemann stressed the need to save some of the available open land for parks. "It should have been done long ago," he said. "I know it's expensive, but land is going to get scarcer and more expensive as time goes by. It won't be any easier in the future."

Hopefully, the boneheads looked toward the shady trees.

DEATH NOTICES

MRS. EUNICE S. ASHLEY

Mrs. Eunice S. Ashley, 66 years old of Bluff Lake near Antioch, passed away at 1:15 p.m. Sunday, May 21, at Victory Memorial Hospital, Waukegan, where she had been confined for four days. She was born Dec. 30, 1900 at Malta, Ohio, and moved to Danville, Ill., where she received her nursing training. She moved to Chicago in 1924 and then to Antioch in 1960. She is a member of Antioch Chapter No. 735 Women of the Moose.

She married John H. Ashley on Sept. 22, 1934 in Chicago. She is survived by her husband, John H. Ashley and a sister, Mrs. Louise (Waller) Foutell of Columbus, Ohio. Funeral services were held at 1:30 p.m. Wednesday at the Strang Funeral Home in Antioch. Rev. Donald Cobb of the Antioch Methodist Church officiated at the services. Interment was private.

MRS. MARTHA ROSING

Mrs. Martha Rosing, 60 years old of Beach Grove, Antioch, passed away Wednesday, May 17, 1967, in Presbyterian St. Luke's Hospital, Chicago, at 8:30 a.m. Mrs. Rosing was born May 17, 1907 in Speer, Ill., and moved to Antioch as a child. She was the daughter of the late William and Bessie Hillebrand who operated a general store in Antioch for many years. She attended the Antioch Methodist Church.

She married Herman Rosing on June 19, 1927 in Antioch and they would have celebrated their 40th wedding anniversary this summer. Survivors include her husband, Herman, and a niece, Ernestine Heines, of Dayton, Ohio. She was preceded in death by two sisters, Mrs. Charity Lewis and Mrs. Louise Taylor.

Funeral services were held Saturday, May 20, at 11 a.m. in the Strang Funeral Home, 1055 Main St., Antioch. The Rev. Donald Cobb of the Antioch Methodist Church officiated. Interment was in Hillside Cemetery, Antioch. Friends called at the funeral home after 3 p.m. Friday. Friends desiring may make contributions to the Antioch Rescue Squad and to the Heart Fund or any other charity in lieu of flowers.

JACOB WILHELM

Jacob Wilhelm, 81 years old of 241st St. and County Trunk "K" at Paddock Lake, Wis., passed away at 6:30 a.m. on May 19, 1967, in the Hillcrest Nursing Home at Twin Lakes, Wis., after a six year illness.

He was born August 25, 1885 in Austria-Hungary and came to America on January 15, 1907 to reside in Chicago until moving to Paddock Lake 31 years ago. He was a painter and decorator by occupation. Mr. Wilhelm was a member of St. Francis Xavier Church at Brighton. He married Teresa Hutap on December 16, 1906 in Austria-Hungary.

Survivors are his wife, Teresa, one son, John Wilhelm, Chicago; two daughters, Mrs. Marie (Joseph) Pecoraro, Paddock Lake, and Mrs. Anna H. Myers, Chicago; 3 grandchildren and 5 great-grandchildren.

A requiem mass was held at 10 a.m. on Monday, May 22, at St. Francis Xavier Church. Rev. Father Beitzinger of that church officiated at the mass. Interment was in St. Francis Xavier Church. Friends called at the Strang Funeral Home in Antioch, after 3 p.m. Sunday. Parish prayers were recited at 3 p.m. Sunday.

OSCAR G. NOLTEMEYER

Oscar G. Noltemeyer, 73 years old of 602 Poplar Street, Silver Lake, Wis., passed away at 12:18 a.m. Saturday, May 20, 1967, in the V. A. Hospital at Wood, Wisconsin. He was born in Dane County, Wis., and had resided at Beaver Dam, Wis., Berwyn, Ill., and Cicero, Ill., before moving to Silver Lake 8 years ago.

Mr. Noltemeyer had been a milk driver for 17 years before becoming a guard for Naval Ordnance Plant at Forest Park, Ill., where he worked for 15 years until his retirement in 1959. He was a member of Holy Name of Jesus Catholic Church at Wilmet, Wis. He was a member of Schultz-Hahn Ameri-

can Legion Post No. 293 at Silver Lake, Wis., and the Burlington V.F.W. Post. Mr. Noltemeyer married Helen Fragel on Feb. 16, 1947 in Chicago.

Survivors are his wife, Helen, one son, Richard A. Noltemeyer, Berwyn, Ill., a step-son, Donald Fragel, La Grange, Ill., a brother, William Noltemeyer, and two sisters, Mrs. Nettie (Louis) Bahr—Mrs. Julia (Herbert) Schultz, all of Arlington, Wis., and two grandchildren.

A requiem mass was said at 10:30 a.m. on Tuesday, May 23, at Holy Name of Jesus Catholic Church at Wilmet. Interment was in Holy Name church cemetery. Parish prayers were recited at 8:00 p.m. on Monday. Military rites were by Schultz-Hahn American Legion Post at the graveside.

AGS Band Profits Almost \$300.00

The Antioch Grade School Band fund was boosted almost \$300 as a result of Mayor Ray Toft's donation of proceeds of Ray's Shell Station for one day.

Mayor Toft gave the proceeds of Saturday, May 20, to the Band Fund. The youngsters operated a car wash and hot dog stand along with the regular business of the service station.

The fund is being raised to finance the Band's trip to Expo 67 in June. The Antioch Grade School Band has been invited to play at the

Exposition. The youngsters will spend a couple of days in addition, seeing the sights at the Fair.

Chester Golonka, president of the Band Parents Association, said they are nearing their goal. "With the Band's Tag Day, and a couple of other projects we have going, we should have enough money to finance the trip," he said. "We hope to raise a couple of hundred extra, just to be on the safe side, for emergencies." Picture on page 6.

Slides Show Trip To South America

Sunday evening, May 28, at 7:00 p.m. at the Antioch Evangelical Free Church, Carl J. Fosmark of Calgary, Alberta, Canada will show slides and tell of his recent trip visiting the mission fields of TEAM Mission and the Free Church Mission in South America.

Rev. Fosmark is the father of the pastor of the Antioch Free Church and is presently serving as a District Superintendent of the Free Churches in the prairies of Canada.

The public is invited to the service at the church which is located on Tiffany Road and Highway Drive, just north of Lorenz' Country House.

VACATION BIBLE SCHOOL
June 12-23 is the date of the Vacation Bible School at the Antioch Evangelical Free Church. The School will begin at 8:55 a.m. and close at 11:30 a.m. Monday through Friday. The theme this year is "God's Power for My Life." Children of kindergarten age through sixth grade are welcome.

Activities will include Bible study, story time, missionary time, recreation, refreshments, craft work and others.

More information may be obtained by calling the church at 395-4117.

The first atomic bomb was dropped on Hiroshima Aug. 6, 1945.

Boys To Present Vocal Selections

A vocal ensemble and pianist, made up of boys between 11 and 16 years of age from the Shawnee Valley Boys' Ranch at Harrison, Arkansas, will present a program at the Immanuel Baptist Church, 1016 Grand Ave., Waukegan, tonight (Thursday), at 7 p.m.

Jim Fisher, the Director of the Boys Ranch, will show slides concerning the work. The public is invited.

Adolph L. Kueera, former Antioch business man, is a director at the Boys Ranch. A. L. Billings, Grayslake, has also been recently appointed a Director.

Shawnee Valley Boys opened its doors in January, 1963. It is now home for 25 underprivileged boys.

Shawnee Valley Boys Ranch operates its own school. It is staffed by experienced and competent Christian teachers under the supervision of a qualified principal. Bible is taught along with the regular curriculum, and each student is required to take a Bible course each semester.

Anyone wishing to make contributions to the Boys Ranch may address them to Shawnee Valley Boys Ranch, Harrison, Ark.

These boys from the Shawnee Valley Boys' Ranch at Harrison, Ark., will present a vocal concert at the Immanuel Baptist Church in Waukegan tonight (May 25).

American Legion Auxiliary News

By Del Jahneke
"May 28th and 27th are Poppy Days, the days when millions of Illinois citizens proudly display the little red memorial flower that was nurtured by America's fallen heroes, and assembled by the amputees, paraplegics, and disabled of America's great wars."

So stated the State Commander of the American Legion, Frederick Morrill, in an interview on the eve of the annual American Legion and American Legion Auxiliary Poppy Days.

Antioch Legion Poppy chairman F. A. Swenson, and Unit Poppy Chairman, Mrs. Ray Rathmann, are still in need of more volunteer workers, to distribute some 1,500 poppies in the Antioch area.

Veterans' Administration and state hospitals are still filled with disabled veterans of World War I, II, the Korean Conflict, and the Viet Nam war. Many of these veterans participated in the assembling of these poppies. A large poppy sale will mean cash benefits to these indigent veterans. The remainder of the funds collected goes directly into Rehabilitation work for these same disabled veterans and their dependents, and the continuation of the Legion and Auxiliary Child Welfare program.

The public is asked to be generous in their contributions. Give with your hearts for the benefit of those who gave with their limbs and their health!

Present Awards At Antioch High

Awards day was held at Antioch Community High School Wednesday, May 17, at which scholarship and attendance awards were presented.

Superintendent Albert Dittman presented awards to seniors with a 4.0 average for four years. They were Kristyn Borchardt, Glenna Burns, Catherine Craner, Lee Craner, Judy Furlan, Wayne C. Hansen, Gary Hunt, Margaret Madsen, David Mair, Candace Meyer, Robert Mitchell, Bruce Muir, Ruth O'Neill, Patricia Prossie, Caroline Radtke, William Sheldon, Mary Strom, Louis Tanner, Jerry Whitson, Fred Wittleder and Donald Zeman. James Corrigan presented awards to students elected to the National Honor Society. Seniors elected in 1966 included Candace Bentel, Glenna Burns, Lee Craner, Lark Hawkins, Lois Herman, Wendy Kuechenmeister, Candace Meyer, Bruce Muir, Glen Otedahl, William Sheldon and Donald Zeman.

Seniors elected to the National Honor Society in 1967 were Kristyn Borchardt, Michael Channel, Catherine Craner, Thomas Doolittle, Lynne Geist, Georgia Goetz, Kathleen Gross, Wayne C. Hansen, Gary Hunt, Bonnie Krakowski, Wendy Lindblad, Margaret Madsen, Robert Mitchell, Margo Nadr, Ruth Neill, Tim Osmond, Marlene Pleviak, Patricia Prossie, Louis Tanner, Jerry Whitson and Mary Strom.

Juniors elected to the National Honor Society in 1967 were Russell Barthel, Glen Bocox, Jeannine Dow, Patricia Denman, Gregg Drijie, Linda Grego, Colleen Gross, Joyce Herman, Roger Kovaciny, Kay Kuechenmeister, Martin McConahay, Mike Polley, Elizabeth Surrock, William Blecke, elected 1966 Luther North H. S.

The Bausch & Lomb Science award was presented to Gary Hunt by Richard Elliston.

Warren Polley, assistant superintendent, presented awards for Perfect Attendance for four years to Tim Osmond, Kristyn Borchardt, James Greer and Donald Zeman.

The Suraya Brook Scholarship was presented to Mary Strom and Lark Hawkins by Mrs. William Brook.

Edward Kurek presented Teacher Education Scholarships to Bonita Bell, Candace Bentel, Kristyn Borchardt, Susan Burzynski, James Gililand, Carol Horwath, JoAnn Lozowski and Linda Nelson.

Special Education Scholarship winners were Glenna Burns and Ruth O'Neill.

Scholarships to various colleges were awarded to James Greer, Bradley University; Kathleen Gross, Barab College; Wayne C. Hansen, University of Miami; June Horton, McHenry School of Beauty; Bruce Muir, Trinity U., Hartford, Midwest Scholarship; Marlene Pleviak, Dominican College; Diana Stagg, Human Relations; Mary Strom, Augustana College.

Louis Tanner, MacMurray College; John Van Haecke, U. of Ill., Agriculture; Jerry Whitson, Swarthmore College; Donald Zeman, Dartmouth U.; Judy Furlan, Northern Ill. U.; scholarships to Illinois State-Catherine Craner, Lee Craner, Carol Horwath, Gary Hunt, Candace Meyer, Bruce Muir, Glen Otedahl, Patricia Prossie, Louis Tanner and John Van Haecke.

TO BROWN OR NOT TO BROWN

Should you brown boneless cubes of beef or lamb when preparing stew? What about meaty bones for stew?

In either case, to brown or not to brown depends upon preference. Browning in lard or drippings or dredging in seasoned flour and then browning gives an attractive brown color to stew or stock. It does add flavor. If you prefer a light colored stew and need a light colored stock, then simply cover the meat with water and simmer.

Some meats which are cooked in liquid are not browned. These include tongue, corned beef brisket (fresh brisket is often browned first, however), cured and smoked hams, kidneys and heart.

Post Office Alert For Mail Fraud Swindlers

Prosperity of the country has whetted the appetite of the mail fraud swindler. Postmaster General Lawrence F. O'Brien said today.

The Postmaster General, named last week by President Johnson to the President's Committee on Consumer Interests, said the Post Office Department plays a significant and continuing role of protecting the American consumer against a variety of fraud schemes operated through the mails.

Complaints by the public of alleged mail fraud activities are currently running ahead of the 1966 fiscal year record of 130,457. Mr. O'Brien noted. This year's total is expected to double the number logged just five years ago, he added.

"Today's swindler knows that there is a bigger economic pie for him to bite into," Mr. O'Brien said. "As a result, the confidence man is more active than ever in more fields than ever."

"The swindler uses the sealed envelope as a cloak for his confidence games and each year costs the public hundreds of millions of dollars."

Mr. O'Brien noted that some of the most prevalent swindles today are aimed at persons with money to invest. Fraudulent real estate developments and phony franchise distributorships are the major examples of this type of scheme. In the past five years, about 500 real estate promotions have been investigated, resulting in 50 convictions. Public loss dur-

ing that period in such schemes was estimated at more than \$50 million.

Franchise plans that do not work out, unprofitable distributorships, vending machines that cost more than they take in, and related promotions have prompted 400 investigations in the last three years. More than 100 of these investigations led to the courtroom.

The young man with enough money to buy a shiny car may be the apple of the swindler's eye. This young man often finds it difficult to get insurance to cover his auto because of high accident rates among youths. As a result, some short lived and fraudulent insurance firms have sprung up, catering to the high risk market.

One source says that 73 companies have folded in this field in the last six years, leaving 300,000 persons without insurance and \$800 million in unpaid claims. These insurance swindlers, occasionally with backing from organized criminal elements, have become experts at milking assets from once legitimate companies. The Postal Inspection Service now has 62 insurance firms and agencies under investigation.

Mr. O'Brien said that other fraud schemes are aimed at the poor who are seeking shortcuts to make their budget work. Chain referral plans and work-at-home schemes are examples of plans that prey on the poor. Glib salesmen operate the chain referral plans, promising the unsuspecting house-

wife that she will recoup the cost of an overpriced vacuum cleaner, food freezer or some other item by serving as an "equipment owning representative."

She is to refer the names of friends or relatives so that the salesman may call on them. If they are sold, she is to receive referral commissions. The commissions rarely materialize as promised. The Department has investigated over 300 suspected chain referral plans in the last five years, some operating nationwide. The investigations have led to the indictment of 94 individuals. The number of investigations of chain referral schemes has increased each year since 1962.

Work-at-home schemes seem to offer a chance for a person to pick up a little extra money. Advertisements usually promise easy money for projects such as sewing pillow cases or addressing envelopes. An instruction or registration fee is sought. Those who respond often find there is no market for their work product.

A co-ordinated campaign against fraud was recently mapped out by Post Office and Justice Department officials, Mr. O'Brien said. The Attorney General was among the other officials named by the President to the Committee on Consumer Interests.

"Yes, yes, I know," said the sergeant wearily. "But I haven't got enough ropes."

MOOSE TOPICS

By Lillian Birdsall

The Legionnaires of the Antioch Moose Lodge held their dinner outing at the Brave Bull Restaurant, Sunday, May 21, with 38 members present and one guest. Following the dinner, nominations and election of new officers were held with the results as follows: Richard Jorgensen as president and Buster Schumann as treasurer. The newly elected officers will assume their positions when the Legion Get-together takes place once again in October. Pat Sperling was elected for the entertainment chairman.

A standing ovation was given to the outgoing officers, president Wally Good and treasurer Les Palmer for a job well done in their two years of service, and to their wives, Gert and May, for their excellent support.

The Women of the Moose will be having their honorary dinner this Thursday evening, May 25, at the Antioch Moose Home at 6:30 p.m., to give honor to the queen of sponsors. All co-workers having perfect attendance at the meetings will also be presented with awards. All co-workers are invited to attend.

The Friendship committee has made final plans for the Chapter Night program which will be held Thursday, June 1, at the Antioch Moose Home starting at 8 p.m. Four of the co-workers will be receiving their Friendship rings on this evening in a ceremony given in their honor.

The new board of officers for the Women of the Moose of the Antioch Chapter for the ensuing year are as follows: Jerri Polson as Senior Regent, Rose Roth, recorder, Bernie Rosequist, Jr. regent, Erna Toft, chaplain and Catherine Kloth as treasurer. The installation of officers will be held Saturday evening, June 17th.

This year, everything points to a great '67 convention, the 79th annual meeting of Moose members which will be held in Jacksonville, Florida, on June 25th to June 29th. The fantastic two year campaign for the new Moosehaven Health Center will be the dedication ceremony of this convention. This should be recorded as one of the largest and finest gatherings in the history of the Order. Anyone who is planning on going should be sure to have their reservations made well in advance.

Scotty Birdsall will be the chef for the fish fry to be held at the Antioch Moose Home, Friday evening, May 26.

Dinner-Theatre Outing (By Bernice Bernau)

Marie Gurke of Lake Villa, Irene Degan of Grayslake and Bernice Bernau of Lindenhurst were among the 70 employees of the Waukegan News-Sun, WKRS radio station, Independent - Register, Hampton Greeting Card and Lake County News Agency, who went by Greyhound bus to Chicago-and had dinner and cocktails at Don Roth's Blackhawk Restaurant Old Frontier Room and then went to the McVickers Theatre to see the stage play "Fiddler on the Roof" with Luther Adler.

Clothes, toys, outgrown bikes-If you can't deliver them to the Antioch Thrift Shop we'll pick 'em up. Call 395-0305 or 395-2247.

GRASS LAKE PTA INSTALLS OFFICERS

Officers of the Grass Lake School P.T.A. for the 1967-68 school year were installed at the last meeting. Officers installed were Mrs. Matthew Nolan, president; Mrs. Kenneth Albright, first vice-president; Bruce Worswick, second vice-president; Mrs. William Shute, secretary, and Mrs. Robert Brown, treasurer.

Mrs. Richard Cerk, past president of the association, was the installing officer.

Millburn News

By Mrs. Frank Edwards Elliot 6-5795

Regular services at Millburn Congregational Church Sunday, May 28, Church and Sunday School at 10 a.m.

Members of the Confirmation Class who were confirmed Sunday morning at Millburn Church were Stephen Bonner, Judy Engh, Dawn Eiserman, Wendy Erickson, Bradley Fox, David Fetterger, Donna Haase, Robin Hughes, Denise Harding, Heidi Hickman, Joyce Johnson, Michael Knox, Charles Lester, Wayne Lindemann, Lyndel McCarty, Linda Robinson, Jean Schoelzel, Janet Schoelzel, Mary Schoek, Margo Snell, Sandra Stewart, John Thain, Bonnie Windorf and Karen Yopp. Ushers were Laurence Yopp, Charles Harding, Charles Lester and Milton Anderson.

The rosebud on the pulpit was for Steven Michael Ryckman, son of Mr. and Mrs. John Ryckman, born April 30.

The Thrift and Bake sale held at Millburn church Saturday, May 20 was very successful. Articles left over from the sale are being given to the Mental Health Thrift Shop in Antioch.

Memorial Day services will be held at Millburn Cemetery Tuesday, May 30, at 2 p.m. Rev. Bruce Jones of the Com. Methodist Church of Lake Villa will be the speaker. In case of rain services will be held in the Millburn church.

Mr. and Mrs. Orville Hairrell and son, Jerry, of Waukegan spent Thursday evening at the home of Mrs. Frank Hauser.

Mrs. Harley Clark and son, Glen were supper guests of Mr. and Mrs. Clayton Engh of Gurnee, Sunday.

The Devotional Study Group will meet Thursday, May 25, at the home of Mrs. Emmet King at 9 a.m.

The average American woman uses about three times her weight in cosmetics during her lifetime.

Farewell Party For Diana

The adult chapter of the Antioch American Field Service Organization is planning a Una Despedida—a farewell in honor of Diana Stagg, this year's foreign exchange student from Ecuador.

The farewell open house will be held at the home of Mr. and Mrs. Leland Hansen, 1915 E. Sprucewood Lane, Lindenhurst on June 1 at 7:30 p.m. All friends of

Diana's and families of those who wish to give a special "good-bye and good luck" to Diana are invited.

Diana's mother is now visiting at the Walker Lyons' home and will be here with Diana until it is time for her to leave Antioch. She will also be a special guest at the Una Despedida, and guests will have an opportunity to meet her.

Tracksters Go To Conference Meet

The Antioch High Track team took last Wednesday's meet with Grant, 99 to 23 but finished second to North Chicago in Monday's three-way meet with Lake Zurich and North Chicago. North Chicago scored 85 points to Antioch's 62 and Lake Zurich's 2.

The Antioch squad will go to Wauconda Saturday for the conference meet. Starting time is 10 a.m.

Wayne Hanson was the lone member of the Antioch squad who qualified to go downstate for the State finals last Saturday. Wayne qualified in the shot put.

In the meet with Grant May 17, members of the Antioch squad who took firsts were Murphy in the high hurdles, time 17.0; Sheldon, 100 yard dash, 10.8; Litchfield, 880, 1:41.6; Backman, 440, 55.2; Murphy, 180 low hurdles, 22.0; Biaggio, the mile, 5:04.1; Litchfield, the 220, 23.5; the Antioch squad won the mile relay in 3:49; Hansen, shot put, 48' 1 1/2"; Dader, discus, 144' 5"; Sheldon, long jump, 18' 6"; and Zeman, pole vault, 12'. Zeman has once before vaulted 12' to break the school record.

Second places were taken by Doolittle, Bista, Barthel, Mikosh, Nader, Hansen, Ottedahl and Mazer. Thirds were scored by Polley, Barthel, Zeman and Sheldon.

In the three-way meet at North Chicago and Lake Zurich,

Firsts were scored by Doolittle, the 2-mile, in 10:46.2; Sheldon the long jump, 19' 5 1/2"; Hansen, the shot put, 48' 4 1/4"; Nader, the discus, 138' 2"; and Zeman, the pole vault, 12'.

Seconds were taken by Antioch's Bista, Litchfield, Biaggio, Hansen, Sheldon and Ottedahl. Third places were taken by Polley, Sheldon, Backman, Murphy, Mikosh and Bista.

FROSH-SOPH TRACKSTERS

Antioch High's Junior squad matched the efforts of the varsity last week, topping

Winner In Triple Jump

Jim Edwards, a sophomore at the University of Illinois, was a winner in the Triple Jump in the Big Ten track meet at Iowa Saturday, May 20. The hop-step-and-jump was introduced in Big Ten competition this year. Jim worked during his freshman year to develop form in the event.

A graduate of Antioch Community High School in the class of '65, Jim is the son of Mr. and Mrs. Elmo Edwards of Antioch. He is a James Scholar Honor student and was recently initiated into the honorary premedical fraternity, Omega Beta Pi.

Grant in the scoring but placing second to North Chicago in the 3-way meet Monday.

The Soph squad scored 98 points to Grant's 28 last Wednesday. First place winners for Antioch were Denman, Koch, Yuska, Archer, Dill, Jackson, Dill again in the 220, Koch in the shot put and discus, Dill in the high jump, Koenig, the long jump, and Nelson the pole vault.

Second places were taken by Barthel, Koenig, Calloway, Yuska, Truelsen, LaChance and Triplett.

In Monday's meet, Firsts were taken by Antioch's Don Dill, the 180 yd. low hurdles, and Terry Triplett, the long jump.

Scoring second were Denman, Koch, Triplett, Jackson, and Nelson. Third places went to Barthel, Truelsen, Koenig, Archer, Olsen, Truelsen, Dill, Koch, and LaChance.

KC's Open Ball Season

The K. C. softball teams of Ingleside opened their season Wednesday, May 17, with a game between the K.C.'s and the Antioch News team. The K.C.'s were the winners, 14-6.

The games are played at the K.C. Ranch House near the railroad tracks in Ingleside. The first game is at 7:30.

Paul Ferrigan was the winning pitcher in Wednesday's game; Bud Wicks was the losing pitcher.

The second game at 9 p.m. saw Club Alibi putting nine runs across home plate to beat Homan's Sporting, who scored six runs. The game was highlighted by a home run by Skip Rowe and a double play Homan's.

Lee Williams was the winning pitcher; Bob Hamm, the loser.

Friday, May 19, Tom's Grocery forfeited to the Old Timers. In the second game of the evening, Casey's Tap squeezed past Mouldy's Grayslake Bowl, 20 to 20.

Casey's Tap was down by six runs in the last of the 7th inning. With two out and the score 19 to 18, Casey's bounced back to win with the help of Don Pyles' homer with one man on base.

Frank Heiselmann was the winning pitcher; Louis Lynn was the loser.

Players who wish to try out for the Antioch News team may contact Manager Don Klein at 395-3527.

Chicken Shoot Set For Sunday, May 28

The McHenry Sportsmen's Club will stage their popular "Three for a Buck" Chicken Shoot Sunday, May 28, right on the heels of their successful Mother's Day shoot.

Shooters will reap a fifty percent increase in prize value, getting three tender young fryers for the one dollar entry fee.

In following the club's established rule, good shooters, fair shooters and lucky shooters will all get their share of the meat by competing in the Hi-Lo-White Bird shoot, in which the high score, the low score, and the gun that breaks the white bird gets a chicken each. Or the Double White Bird shoot, which awards each broken white target with a chicken plus a chicken to the high gun. For the dead-eye Dicks who prefer to shoot the works, there is the straight ten bird event, the high gun taking the three chickens.

In the white bird events a white target is released from the trap at an unknown interval in the shooting sequence, and the gunner who bags it wins a prize. If it is missed another is thrown until someone hits it. The trap operator is unable to see the shooters, so he does not know who is getting the bird.

Also on the day's program are triple and quintuple

News of Lakes Sports

THURSDAY, MAY 25, 1967 THE ANTIOCH NEWS 7

Bohn Gets First Double Win At Speed Center

Bill the Bullet Bohn became the first double feature race modified stock car winner at the Lake Geneva Speed Center as he became the first driver to score two wins in the early season.

Both wins came with a healthy margin on the rest of the field but the action behind him left nothing to be desired by the racing fans. More than 2000 screamed their delight at the tight battle behind Bohn between the 1966 Speed Center Champion, Duane Harris and Roger Otto.

Bohn took the lead from Bill Kline of Burlington after a restart was necessary when both Ken Harris and Don Score went off the number two turn avoiding five other cars in skidding action trouble. Bohn went by Kline on the eighth lap with Ron Larson still running in fourth behind Claude Potter who had made a big jump from his 16th starting position.

By the half-way point, Harris had pulled up into the number two spot and was pressured hotly by Otto. Finally on the 20th lap, these two slapped together in the first turn and it looked like both would go to the side lines. But sensational driving on their part kept both going a nd two laps later, Otto got second. At the end, it was Harris third, Bergsma, and Tom Anderson getting fifth and his best finish in a Speed Center feature.

Ray Dobbs of West Allis turned in a great job as he missed qualifying and had to start both the first heat and the semi-feature from the back. He won both of them. Rick Schuyler of Jefferson won the late model feature and his heat with Arnie Peterson of Delavan getting the other heat.

Kurt Peterson of Woodstock won the first Spectator heat and Steve Stevens of Lake Geneva the second.

The Lake Geneva Speed Center has announced plans for the special modified and stock car racing program for Monday, May 29. The event will be held on the eve of the Memorial Day Holiday which is the greatest day for auto racing in the world.

The event will be topped off with a special modified stock car 50 lap feature that will carry extra money in addition to the regular purse to the winner of the event. A similar plan last year resulted in a record payoff to the

winner of the mid-season Championship race.

The Indy Eve Fifty race on Monday, May 29, will consist of a regular program of modified stocks and spectator stocks. Time trials will start at 7 p.m. and the first race at 8:15.

Sophs Capture Conference Title

The ACHS Sophomore baseball team compiled an outstanding record this year, ending the season with 12 wins and 2 losses and capturing the Conference Sophomore baseball title.

Coach Andy Hauptman said that this is one of the finest groups that he has worked with. "They have two important things going for them," Hauptman said "They believe they can't be beat, and they have the desire to play."

The Sophs started off the

season by defeating Grayslake, 6-1; then they lost the next two, with Grant winning 8-2 and Warren 7, Antioch 5.

They bounced back from their two losses to win the next 11 games: Antioch 11, Lake Zurich 1; Antioch 5, Wauconda 3; Antioch 5, Lake Zurich 3; Antioch 5, Grayslake 2 (13 innings); Antioch 9, Warren 7; Antioch 2, Lake Forest 0; Antioch 13, Round Lake 1; Antioch 8, Round Lake 4; Antioch 7, Grant 5; and Antioch 4, Wauconda 2.

During the season, Antioch scored 98 runs to their opponents' 58 runs.

Wilford Wells and Ralph Zancik did an amazing job week after week, sometimes being called on twice in one week to pitch with only a few days rest. Zancik compiled a record of 7 wins and 1 loss, and was voted the most valuable player.

Wells compiled a record of 4 wins and 1 loss.

A transfer student, Bill (continued on page 8)

The Antioch High Sophomore baseball team finished the season with a 12-2 record. Front row, left to right, Bob Lemke, Jim Kopriva, Bob Valentine, John Meyer, Jim Mair, Dennis Pleviak, Wilford Wells, John Dalgaard. Back row, l. to r., bus driver Cal Bickie, Steve

Owens, Bill Allen, Jim Shore, Jim Carlson, Tom Nickerson, Ralph Zancik, Jerry Martin, John P. Kelly, manager and Coach Andy Hauptman. Absent when the picture was taken was Manager Thomas Gilliland.

Top Drivers At Dragway Memorial Day

The nation's foremost drivers will head a field of more than 500 entries in the NAS-CAR "International Olympics of Drag Racing." The meet, recognized as one of the major drag events in the country, is scheduled for the Memorial Day weekend, May 27, 28, 29 and 30 at the Great Lakes Dragway, Union Grove, Wis.

Topping the impressive lineup in the powerful nitro-fuel dragster division are 3 of the leading drivers in the country: Mike Snively of Long Beach, Calif., Connie Kalitta of Mt. Clemens, Mich., and Pete Robinson of Atlanta, Ga.

Robinson and Kalitta will pilot Ford-powered dragsters while Snively's mount is the famed Chrysler-powered "Hawaiian". Other top-nitro-fuel dragster drivers include Tom Hoover of Minneapolis, Bobby Vodnik from New York, Dave Babbler and Jim Rivero of Los Angeles, Val LaPorte from Georgia, Joe Jacoma from Virginia and the team of Greitz & Greer from Tulsa, Oklahoma. Some of the better

Connie Kalitta's Ford-powered dragster will be an entry in the Memorial Day weekend events at the Great Lakes Dragway at Union Grove, Wisconsin.

Archers Compete For State Medals

The Illinois Archery Assn. will hold the Field Division Northern Spring Shoot on May 28, at the range of the Chicago Bow-Hunters near Lisle, Illinois. There will be ample parking and good food available at the range. State medals will be awarded to the winners in all classes.

Location of range: 3/4 of a mile east of Rt. 53 on 87th Street, which is 2 miles north of U. S. 66.

\$2 1/2 million rate reduction for gas heat customers.

This—the seventh major reduction since 1962—went into effect on May 1. Thanks to these reductions, the average residential space heating customer will pay approximately \$25 less next winter than he did five years ago under normal weather conditions. Isn't it time you switched to gas heat? In so many ways, it makes sense.

And it also makes sense: when you heat with gas—why not cool with gas? Ask your contractor about adding gas air conditioning, too. (We'll finance both.)

Northern Illinois Gas Company

Home Runs, No-Hitters Spark Little League Games

known names wheeling the mighty gas dragsters are Tom Larkin of Hollywood, Calif., Jim Minnick from West Virginia, Gordon Collett from Ohio and Dick Padar from Texas.

The 4-day event kicks off Saturday night at 8 p.m. with the nitro fuel and gas dragster marathon. Sunday's races start at 2 p.m. and will again feature the dragster divisions. Monday night at 8 p.m. the nitro-burning super stocks will hold the spotlight. Tuesday, Memorial Day will be an afternoon affair with the races starting at 2 p.m. The dragstrip is located 20 miles south of Milwaukee on Highway 45 at Union Grove, Wis.

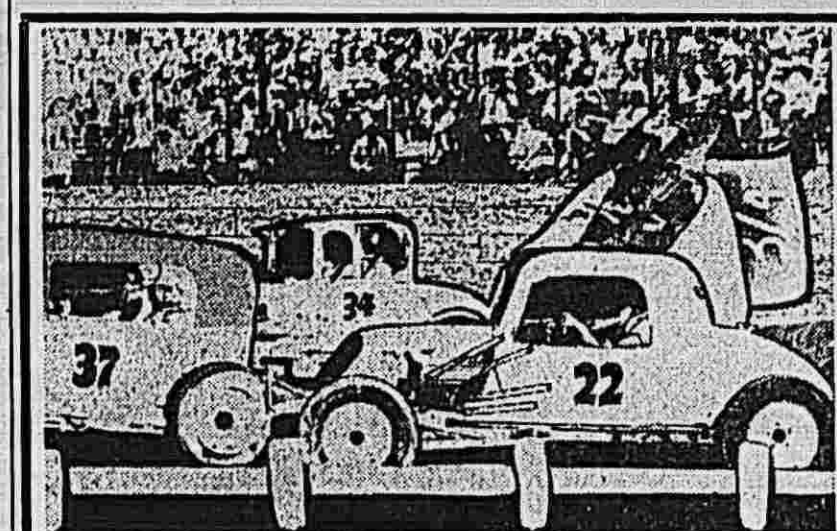

Clean out your attic—remember the Thrift Shop. Call 395-0305 or 395-2247 for pick up.

A Pharmacist's Diploma

That diploma is more than just a piece of paper... It signifies that the holder has completed years of study at an accredited pharmacy college, plus a period of practical work under a registered pharmacist, and is qualified to serve your needs!

Tuesday's game between the Cubs and Yankees turned out to be one of the high scoring games in Little League, with the Cubs finally taking it, 16 to 11.

It looked like a long day for the Yankees when the Cubs got 9 runs in the second inning; but the Yankees came back with a big 7-run 4th inning and the score was tied, 11 to 11.

The Cubs came back with five runs in the next two innings, to put the game away.

The winning pitcher was Pawlowski. Losing pitcher was Albano.

SOX 16, GIANTS 6

The game between the Sox and Giants turned out to be a one-sided affair as the Sox won, 16 to 6.

Tim Mieceure contributed a home run.

The Giants were ahead momentarily after the second inning, but the Sox overtook them and from then on it was the Sox all the way. The winning pitcher was Mieceure and the loser was Klean.

SOX 30, GIANTS 5

YANKEES 2, TIGERS 3
The Yankees and Tigers clashed for the first time this year last Thursday. The Yankees put up a gallant fight but they couldn't contend with the pitching of Marty Ricker and Mike Gurovski, who pitched a no-hit game.

The Yankees picked up two unearned runs in the 6th inning, but the Tigers scored one unearned run and two home run blasts, one by Ricker and one by Frisell. The winning pitcher was Ricker and the loser was Bolton.

Yankees 0 0 0 0 0 2 0 2
Tigers 2 0 1 0 0 3 7 6

GIANTS 9, CUBS 8

Monday was another make-up game between the Cubs and the Giants. The Giants squeezed ahead for a 9 to 8 win. Helping the Giants' cause was a one-run homer by Johnson and a two run homer by Wirth.

The winning pitcher was Klean and the loser was M. Maras.

GIANTS 0-0-4-1-3-0-8 10 5
Cubs 2-3-1-1-1-2-9 7 2

The schedule for the coming week will include:

Thursday, May 25—
Dodgers vs. Giants

Friday, May 26—
Sox vs. Cubs

Tuesday, May 30—
Tigers vs. Dodgers

Wednesday, May 31—
Giants vs. Yankees

Thursday, June 1—
Tigers vs. Sox

Cold Weather Cuts Down Crowd At Wilmet Track

The modified stock cars raced before a highly-satisfied crowd at the Kenosha County Speedway on its season opener, Friday night, May 19th.

Less than 700 race fans braved the cold and windy night to witness one of the closest modified feature races run so far this season at any track.

Due to excellent track conditions coupled with a heavy foot, Bill Goeden of St. Michaels, Wis., was credited with a time trial lap of 17:17, a new track record. Duane "Whitey" Harris of Lake Villa, Ill., battled Don Schuppel of Kewaskum, Wis., in each lap of the 25 lap feature just barely holding Schuppel off at the checkered flag. Following Harris and Schuppel across the finish line was Jim Bozeman of Waukegan finishing third and John Reimer of Caledonia, Wis., coming in fourth.

After experiencing car trouble during the qualifying runs, Ron Bergsma of Richmond, Ill., left the track for home, made some hurry-up repairs to the car at home, phoned the Speedway and asked if he could re-enter, got back in time to run in the semi-feature, finishing in the number one spot.

The semi-feature had to be stopped when the car driven by Ott Ramthun of Kewaskum, Wis., rolled over in front of the grandstand. Ramthun jumped out of the car obviously unhurt, then in attempting to inspect his car for damage, he set his hand on the hot exhaust pipes, burning the hand.

Jim Smith of Patenjim Auto Racin stated that regardless of his disappointment over the very small crowd in attendance, he real-

izes that it will take a few weeks of Friday night modified racing to get the fans used to the switch from Saturday to Friday nights.

Girl Scout Troop 212 Holds Mother - Daughter Banquet

By Mrs. Bernice Bernau
The Jr. Girl Scout Troop 212 of Venetian Village held their annual Mother-Daughter banquet recently, at the Civic Hall. All 36 girls and their mothers attended.

Each mother was presented with a rose, made from foam, and in all the lovely spring colors. The daughters pinned them on their mothers. In return, Mrs. Maxine Forster, co-leader, pinned a lovely, three flowered white carnation, with the girl scout colors, green and yellow, on Mrs. Barbara Mitchell, leader.

Mrs. Mitchell was pinned with a Friendship pin by Mrs. Doris Surrock, vice chairman of the Sequoia Neighborhood and chairman of camping. Also, receiving the Friendship pin and a five year pin by Mrs. Surrock, was Mrs. Lollie Caraher, last year's co-leader.

Mrs. Pat Paulson, chairman of Crafts, was welcomed as a new member of personnel, by Mrs. Mitchell and Mrs. Surrock. She was pinned with a Girl Scout pin.

Mrs. Dolores Heigel, chairman of Badges, was also recognized, as well as Mrs. Peggy O'Neil, who had been a Cookie chairman for Lake Villa for the past two years.

Sophs Capture Conference Title

(continued from page 7)

Allen, after playing the outfield all year, was called on to fill in as a pitcher the last game of the year. It was an important game for the Sequoia batsmen, and Allen responded by pitching a one-hitter and driving in two runs to help defeat Wauconda, 4-2. The Sequoias played four games that week. Allen had done some relief work, and Coach Hauptman decided to start him for this game.

Jim Carlson played shortstop and was key batsman. Jim was voted captain of the soph baseball team.

John Meyer, third base, was a key defensive man who improved his hitting as the season progressed.

Jerry Martin, outfielder, always came through with a hit when it was needed.

Tom Nickerson, outfielder, was voted the best defensive player. Tom had the speed to cover all three fields.

Jim Mair, catcher, developed into an outstanding

catcher as the season progressed.

"This was one of the main positions that had to be filled in order to have a successful season," Coach Hauptman said. "Jim came through with flying colors."

Jim Shore did an excellent job at first base and as a defensive ball player. "If Jim can improve his hitting," Hauptman said, "he'll play a lot of baseball. His back-up man, Steve Owen, is also an outstanding defensive player, but like Jim has to improve his hitting."

Jim Kopriwa alternated with Allen in the outfield. Jim came a long way since practice started. He does well at fielding and hitting but lacks speed.

Bob Valentine, Jim Dalgard and Bob Lemke were faithful boys who saw limited action. "They are boys that wanted to play no matter what the cost," Hauptman said.

Dennis Pleviak was a key batter in the lineup. Dennis hit .347 for the season, second to Zank, who hit .456. "Denny is small but mighty," Coach Hauptman said. "He had a real good eye for the ball and will be a contender at second next year."

Summing up his team's potential, Hauptman said, "Coach Seemann can look forward to some fine material next year. Since being promoted to Sophomore coach two years ago, my teams have compiled a 22-wins and 6-losses record. The American Legion program that is being started in Antioch this year will play an important role in developing the boys."

"The boys have done a fine job and compiled an outstanding record," Hauptman concluded.

The team's batting average was .247. Here are the averages of the top seven boys: Zank, .456; Pleviak, .347; Shore, .333; Meyer, .320; Carlson, .272; Nickerson, .244 and Martin, .212.

A small adjustment in your Payroll Savings Plan allotment, where you work or your Bond-a-Month deduction where you bank, will enable you to buy a Freedom Share along with your Savings Bond. An investment of \$78 will return you \$100—half of it in 4 1/2 years, the remainder in 7 years.

Science Students Win Firsts At State Level

Three students of Lake Villa Grade School took firsts at the State Science Fair in Champaign last weekend.

Wendy Rowley, Tod Anderson and Dave Hartwig were the three winners. Wendy won the \$25 bond given by the State Bank of Antioch in the competition at Antioch High School.

Twelve Lake Villa students had won at both the local and district level and had taken their projects to the State competition. In addition to the three first place winners, seven of the students took second place and two third places.

Wendy's project was The Effects of Air Pollution on plant growth. Tod's was the Solid Fuel Rocket. Dave Hartwig's project dealt with Light Environment. All three are in 7th grade.

Second places went to Martin Phillippi with Seed Germination; Diane Popp, 8th grade, Photo Periodism; Bill Severson, 7th, Purification

of City Water; Roy Swanson, 8th Grade, Land Reclamation; Precipitation: How & Forms; Tami Eiserman, 8th grade, Blood Groups; and Kathy Wurster, Physical Basis of Heredity.

Third place winners were Barbara Pfisterer, 8th grade, the Story of Caves and Robin Rohwader, 7th grade, Probability.

The students and their teachers, Don Strickler and Mrs. June Shaw, toured the campus of the U. of Ill. during their visit. The students were particularly interested in exhibits at the Veterinary Medicine building and some graduate projects they saw set up in the Chemistry building.

Friday evening they attended the Illinois Junior Academy of Science Banquet. One of the astronauts, Ronald Evans, addressed the students and showed a film. Some of the Lake Villa students managed to get his autograph.

Some of the Lake Villa students, who failed to win firsts at the Science Fair and consequently didn't get to go downstate submitted written reports of their projects in an annual contest sponsored by Ford Motor Co. and the National Science Teachers Association.

Two of the students, Carol Boreen and Nancy Rolin, were regional winners in this contest. Both are 8th grade students. Nancy's project was "Four-Twenty Infinity"; Carol's, "The Effects of Salt Water on Goldfish." The girls received certificates and inscribed silver plaques.

Win Outstanding At Chicago Show

Two Lake Villa Grade School students won Outstanding ratings at a Science competition held last Saturday at the Field Museum in Chicago.

The display of Science projects was sponsored by the Chicago Area Science Teachers Association. Mrs. June Shaw and Don Strickler, Science teachers, accompanied their students to the show.

The Outstanding ratings were won by Kathy Wurster, 8th grade, and Tod Anderson, 7th. Kathy's project was "Heredity"; Tod's, "The Solid Fuel Rocket." Both students had previously won the chance to take their projects downstate for the State Science Fair.

Ten students from Lake Villa School competed at the Chicago show. In addition to the two Outstanding, six received an Excellent rating and 2 Honorable Mentions.

Winners of the Excellent ratings were Linda Creighton, 8th grade; Diane Popp, 8th; Roy Swanson, 8th; Cathy Moore, 7th; Jim Moore, 8th; and Sheila Rajkovich, 7th.

Honorable Mentions were won by Martin Phillippi and Barbara Pfisterer.

Girl Scout Troop 212 Holds Mother-Daughter Banquet

(Continued from page eight) and dined in the galley. The Fair was open to the public from 2 to 3 in the afternoon, otherwise it was strictly for girl scouts and their leaders. The Troop will be represented in the Memorial Day Parade in Lake Villa.

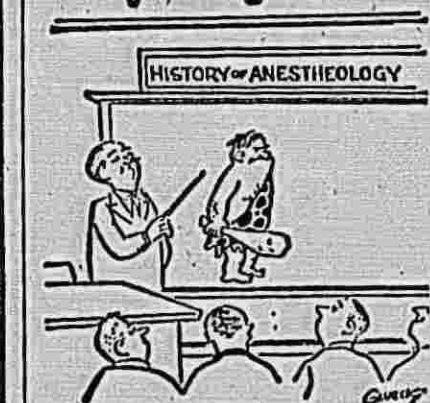

Minds can be mended

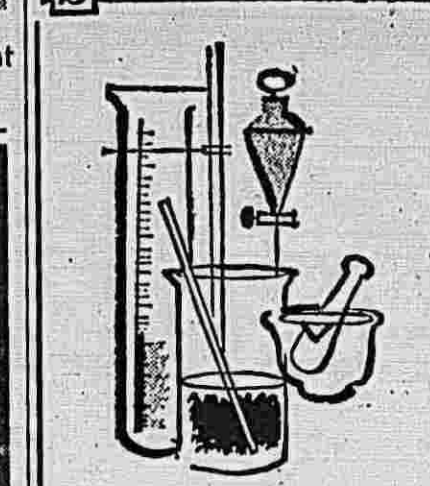

The mind can break under strain... just like any other part of the body. But it too can be mended... today, 7 out of 10 mental patients leave hospitals within a year. Some need never be hospitalized, if given early and adequate treatment. Mental Health Centers within reach of everyone are essential to provide early diagnosis and complete treatment.

Support Your Mental Health Association and its program for community mental health services.

WHAT PARENTS ASK ABOUT CHILD'S GROWTH

Every week we are swamped with inquiries from parents regarding their child's growth. Here are some of the more common questions asked:

Question — Is there any way of predicting how tall a child will be?

Answer — Generally speaking, yes. Given a healthy child's present height and age, his "mature" height can usually be determined within a few inches by means of height - prediction tables. These tables — based on growth records of thousands measured from birth to adult age — have given us some fairly reliable "rule of thumb" predictions. For example, boys usually double their two-year height by the time they're eighteen. Girls usually double their ten-month height by puberty.

Q — Can a physician accurately determine if a child is normally short, or whether something has "gone wrong"?

A — Yes. If a child's growth is out of the usual range, x-rays will show if bone development is slow for his age. If it is, further study may indicate his endocrine glands are not secreting enough growth hormones.

Q — Is there any effective treatment to promote a child's growth?

A — That depends. If he's undernourished, vitamin B-12 may help speed his growth. If tests indicate one of his endocrine glands (pituitary or thyroid) is not secreting enough growth hormones, treatment with pituitary or thyroid extracts may prove effective. However, this treatment is still in the experimental stage.

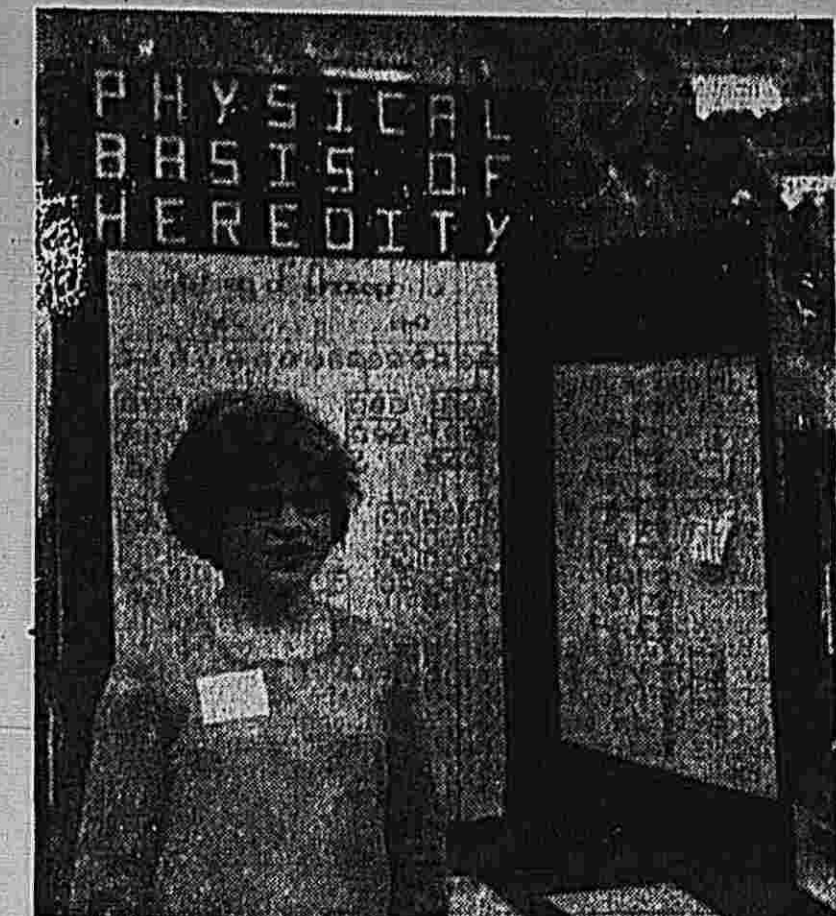

Q — Will infections stunt a child's growth?

A — They may. But most infections only impede growth temporarily. Anemia, for example, may impede a child's growth. However, once this condition is corrected, a child usually makes up the loss in growth quite rapidly.

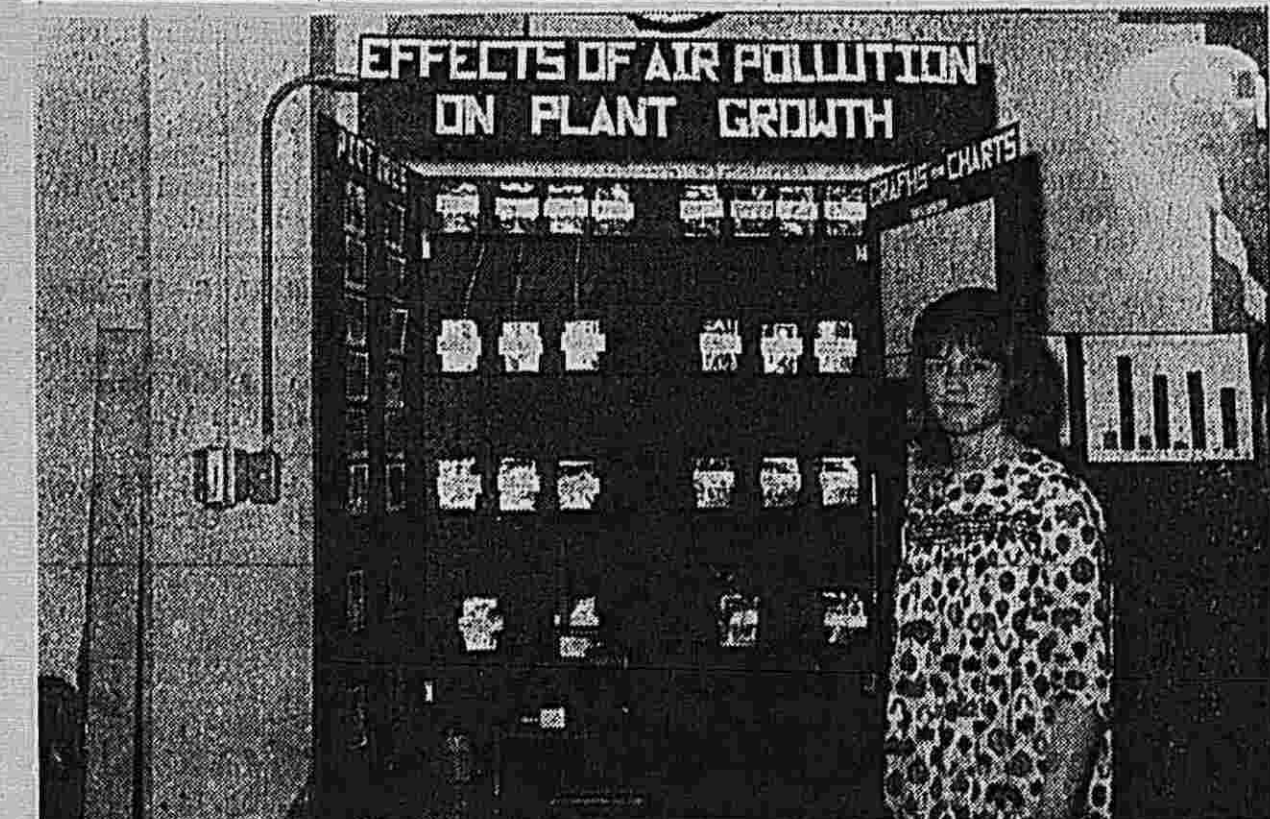

Q — Can anything be done to stop a girl's growth if it appears she's growing too fast?

A — Ordinarily a physician won't do anything to impede a child's growth unless there is a glandular disorder of the pituitary. If it produces an excessive amount of hormone, a child could grow to be seven feet tall. In these exceptional cases, special hormones can prevent a girl from growing too tall by bringing on menstruation earlier than nature has scheduled. You see, the onset of menstruation usually stops further growth. However, this treatment is given only after careful consideration.

The Thrift Shop will gladly pick up your saleable cast-offs — call 395-0305 or 395-2247.

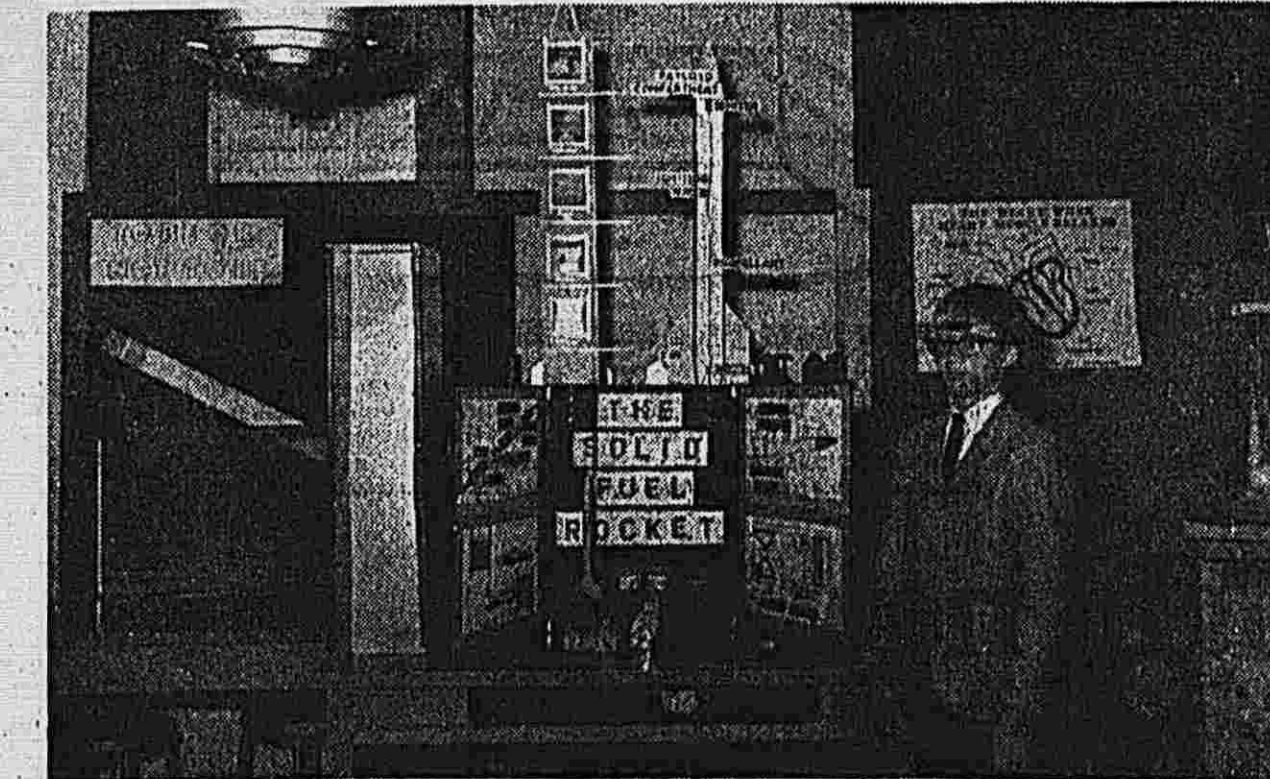

Kathy Wurster, Lake Villa Grade School, won an Outstanding label with her Science project, "Heredity", at a competition sponsored by the Chicago area Science Teachers Assn., held at Field Museum last week.

Wendy Rowley, 7th grader at Lake Villa School, took a first downstate with her Science project.

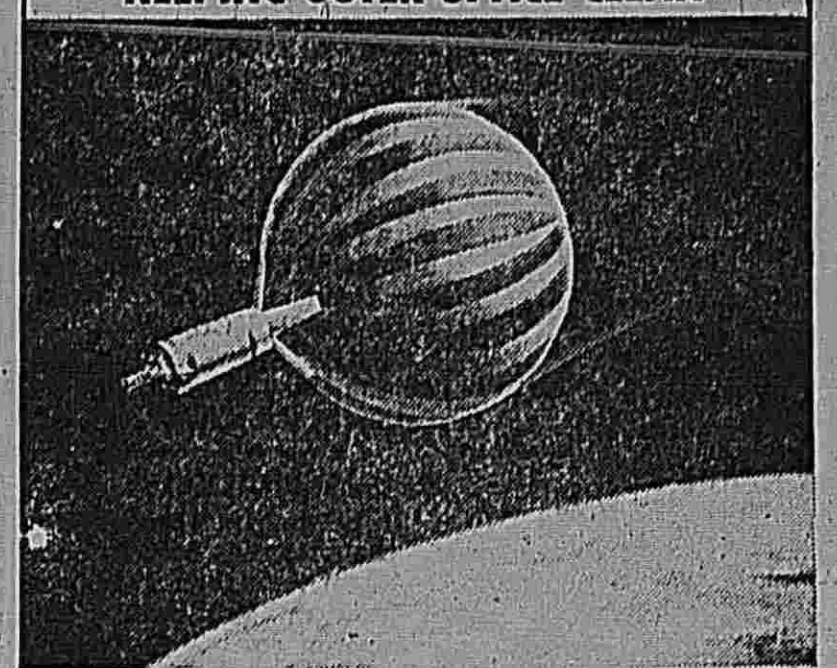

Dave Hartwig, in the 7th grade at Lake Villa School, won a First with his "Light Environment" at the State Science Fair at Champaign.

Tod Anderson, 7th grade, Lake Villa School, took a First with his project at the State Science Fair.

KEEPING OUTER SPACE CLEAN

Lowell, Mass.—(HK)—Avco Corporation scientists have proposed a plastic balloon as a means of keeping outer space clear of orbiting debris. When inflated on command from tracking stations on earth, it would hasten the rate at which a spacecraft naturally slows down and comes out of orbit.

Here is an artist's conception of a huge balloon used on a Saturn IV-B rocket. It is stored inside the rocket until deployed gas-pressure tanks inflate it to 150 feet in diameter.

At present, several hundred objects are in orbit, only a few

of them serving any useful purpose. The rest are simply cluttering up space. This device will eliminate "junk" in space.

CODIS

Avco's space systems division scientists call the device CODIS (for Controlled Orbital Decay and Impact System). CODIS could be adapted to any spacecraft or rocket, Avco says. It could insure that objects surviving reentry into the earth's atmosphere fall into the sea and also might be able to bring disabled manned spacecraft safely out of orbit.

If you have a physical handicap that interferes with your use of the telephone, please let us know.

We want to help.

Part of our job is making sure that all our customers have full and unhindered use of their telephone. Sometimes we have to do something a little special to bring phone service in line with a person's restricted abilities.

For example, we've developed services to help people who are blind, hard-of-hearing, or have impaired vocal cords. And we've priced them with no intent to profit. Some regular services — such as Speakerphones or automatic dialers — may help people who are paralyzed or bedfast. In

addition, we've designed special equipment for individual needs.

But there are a lot of problems we don't even know about. If you have any trouble using your phone, we'd like to hear from you. Call our Personal Service Specialist in Chicago at 727-4421.

From the suburbs, call collect. Or, write P.O. Box 5995, Chicago, Illinois 60606. We'll be glad to come out and discuss your particular problem, and do our best to solve it for you. The solution may be right on the shelf in our warehouse. If not, we'll be glad

to suggest an original combination of services.

There's no obligation, of course.

By sharing your particular problem with us, you'll also help all our other customers with a difficulty similar to yours.

Please feel free to discuss your phoning difficulties with the Personal Service Specialist. Call 727-4421. From the suburbs, call collect. Or, write P.O. Box 5995, Chicago, Illinois 60606. Your confidence will be respected.

ANTIOCH DISPOSAL SERVICE (47-48c)

MEMORIAM

In loving memory of our dear wife and mother, Hazel Cunningham, who passed away April 26, 1967. The blow was great and the shock severe. We little thought the end was near. And only those who have lost can tell. The pain of parting without farewell.

Sadly missed by husband Harvey and daughter Patricia and family.

CARD OF THANKS

I would like to thank my friends, neighbors and relatives for their kindness while I was in the hospital in New Port Richey, Florida, and Victory Memorial in Waukegan. I would also like to thank the Legion, Rebekahs, Oddfellows and the Masonic Lodge in Florida.

Earl Horton (48c)

I wish to thank the Antioch Rescue Squad, the Rev. Anderson and my many friends and neighbors for the kindness and comfort they gave me during my recent sorrow in the loss of my beloved husband, Bill.

Mrs. William Kumst (48c)

Dr. SIMS says...

SAFEGUARD YOUR HEALTH

A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

CAUSES OF FAINTING

"I think I'm going to faint!"

A familiar phrase, isn't it? And indeed, the person who says it often does faint. Fainting may be brought on by any one of several causes.

Pain—sudden, intense and unexplained pain.

Injury—particularly an injury involving extensive tissue damage or loss of blood.

Extreme temperature changes—some people who are allergic to cold, for example, may faint after swimming in very cold water.

Exhaustion—athletes sometimes faint after violent exertion.

Hysteria—most commonly found in women.

Fear—a person is faced with actual, threatened or imagined injury.

Fear is the most common cause of fainting. It is largely psychological and, surprisingly, experienced by more men than women.

While men find it more difficult to admit fear, their circulatory systems acknowledge their fright by increasing the flow of blood in the muscles—in preparation for flight from fear.

When a man does not flee, the increased supply of blood can't be worked off through increased activity. Consequently, the circulatory system is disturbed, the flow of blood to the brain is reduced, and fainting results.

The hysterical faint is also primarily psychological in nature and usually has a symbolic meaning for individuals. It is usually not accompanied by any obvious anxiety.

Frequent fainting often indicates a basic underlying physical or psychological disturbance which deserves medical attention.

Treatment of patients who faint from fear or hysteria is simple—if there is no evidence of injury or hemorrhage. The patient should be placed on his back or—in a sitting position with his head between his knees.

Exercising the patient's legs—again if there is no obvious injury—will help him recover while he is still lying down. When he recovers, he should move about until his circulation returns to normal.

A physician should be called if these methods fail, or if the patient faints again as soon as he stands up.

Learn from the mistakes of others—you can't live long enough to make them all yourself.

Mothers of the Future Want at Least 3 Children

LANCASTER, Pa.—(HK)—Mothers of the near future indicate they are going in for larger families—three or more children. This was disclosed in a nationwide survey of recently married couples by Armstrong Cork Company. The couples polled were under 26-years-old.

Armstrong, a leading producer of resilient flooring, ceilings and other building materials said the survey showed that nine out of ten planned to buy or build a home and that one-third said they

hoped to purchase their first home within the next 24 months. Among other findings that the poll showed were:

... more than 9 out of 10 new homes today have three or more bedrooms.

... more than half of the homes had two or more baths and an attached garage.

... the majority of the new dwellings have built-in appliances, with air conditioning in every fifth house.

... there is a family room in 7

out of 10 new homes, and a patio on nearly half the properties. ... the average home during the last ten years has increased in living area from 1,156 to 1,430 square feet and the selling price during 1966 was close to \$20,000—about 50 per cent above the 1956 figure.

... Four out of five home improvements are first suggested by women and that rising income, rather than need for repair, apparently is becoming the primary stimulus for home modernization.

outdoor chefs are very fussy!

Ever since the outdoor cooking fad began,
we've been catering
to the special needs of outdoor chefs.

Over the years, we've satisfied scores of thousands.
Many, many find just the steak, chops or chicken they want
in our self-service meat departments.
Others have specific needs...

the steak must be 2 1/2" thick, the chops double thick and so forth.
That's no problem.

If you don't see it...just ask. We'll be happy to help you.

One other reason we're so popular with "backyard barbecuers"...
the quality of our "Super-Right" Meats.
Quality so high, some meat graded U.S. Choice
just isn't perfect enough to be "Super-Right" Meat.

Is this a good reason for shopping A&P? It's one of many.
